BILLING CODE 6750-01-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

Proposed Information Collection Activity: Unaccompanied Alien Children Sponsor Application Packet (Office of Management and Budget #0970-0278)

AGENCY: Office of Refugee Resettlement, Administration for Children and Families, U.S. Department of Health and Human Services.

ACTION: Request for public comments.

SUMMARY: The Office of Refugee Resettlement (ORR), Administration for Children and Families (ACF), U.S. Department of Health and Human Services, is inviting public comments on revisions to an approved information collection. The request consists of several forms that allow the Unaccompanied Alien Children Bureau to assess the suitability of potential sponsors for unaccompanied alien children. Note this information collect was previously titled Family Reunification Application for Sponsors of Unaccompanied Alien Children and has been retitled at the direction of ORR leadership.

DATES: Comments due June 24, 2025. In compliance with the requirements of the Paperwork Reduction Act of 1995, ACF is soliciting public comment on the specific aspects of the information collection described above.

ADDRESSES: You can obtain copies of the proposed collection of information and submit comments by emailing infocollection@acf.hhs.gov. Identify all requests by the title of the information collection.

SUPPLEMENTARY INFORMATION:

Description: Proposed revisions for each form are listed below and include terminology updates requested by the current Administration.

Additionally, ORR proposes changing the title of this information collection from "Family Reunification Packet for Sponsors of Unaccompanied Children" to "Unaccompanied Alien Children Sponsor Application Packet" to better reflect the purpose of the information collection.

Finally, the current Administration has requested more comprehensive information on sponsor income to support suitability assessments as part of the sponsorship application. In addition to the information already collected in form SAP-3, ORR is planning to prepare an Affidavit of Support that will be completed by the

sponsor and provide certification that the sponsor has the financial means to provide for the child's physical and mental well-being (per 45 CFR 410.1202(c)). This new instrument will be incorporated into the information collection in time for the second **Federal Register** notice, to ensure proper notification to the public and solicitation of comments.

- *All Forms:* Replace "unaccompanied child" or "UC" with "unaccompanied alien child" or "UAC".

- *Authorization for Release of Information (Form SAP-2):* This instrument collects respondents' written consent to background investigations with Federal, State, or local law enforcement and/or child welfare agencies, allows ORR to determine whether an unaccompanied alien child will be safe in the custody of a potential sponsor, adult household members, and alternate adult caregivers. The expected respondents of this instrument are, under certain circumstances, potential sponsors, adult household members, and alternate adult caregivers.

- Remove "in black ink" from the instruction at the top of the form to reflect that ORR accepts both wet and electronic signatures for this form.

- Make the following revisions to the third declaration:

- Reword "I Understand that my biometric and biographical information, including my fingerprints . . ." to "I Understand that my biometric and biographical information, including my fingerprints and my photograph . . ."

- Remove the last sentence and related footnote that reference restrictions from the Consolidated Appropriations Act of 2023.

- Revise the burden estimate to account for a decrease in the number of sponsors applying to sponsor a child, an increase in the number of individuals required to undergo fingerprint checks, and an increase in the number of care provider facilities. The annual number of respondents increased from 81,532 to 183,588; the annual number of record keepers increased from 235 to 300; and the annual number of responses per record keeper increased from 347 to 612.

- *Sponsor Application (Form SAP-3):* This form collects information related to the potential sponsor's ability to provide for the unaccompanied alien child's mental and physical wellbeing. ORR uses the information collected to determine the suitability of a potential sponsor as a custodian of an unaccompanied alien child. The expected respondents of this instrument are potential sponsors.

○ Rename form “Sponsor Application” from “Family Reunification Application”.

○ Revise the instructions for proof of identity in the Supporting Documents section as follows:

■ Clarify that original versions are accepted.

■ Clarify that expired documents will no longer be accepted.

■ Remove several options under List B that will no longer be accepted as proof of identity.

○ Revise the burden estimate to account for a decrease in the number of sponsors applying to sponsor a child and an increase in the number care provider facilities. The annual number of respondents decreased from 122,950 to 76,569; the annual number of record keepers increased from 235 to 300; and the annual number of responses per record keeper decreased from 523 to 255.

• *Fingerprinting Instructions (Form SAP-7)*: This instrument informs, as appropriate, potential sponsors, adult

household members, and adult caregivers of the steps they must take to be fingerprinted. Fingerprints are collected electronically at grantee or contractor-operated digital fingerprinting sites or submitted via mail using FBI fingerprint cards (form FD-258, OMB #1110-0046). The expected respondents of this instrument are, under certain circumstances, potential sponsors, adult household members, and adult caregivers.

○ Revise the burden estimate to account for a decrease in the number of sponsors applying to sponsor a child, an increase in the number of individuals required to undergo fingerprint checks, and an increase in the number care provider facilities. The annual number of respondents increased from 81,532 to 183,588; the annual number of record keepers increased from 235 to 300; and the annual number of responses per record keeper increased from 347 to 612.

• *Letter of Designation for Care of a Child (Form SAP-9)*: This instrument is

filed by an unaccompanied alien child’s parent(s) or legal guardian(s) to specify a potential sponsor to whom they wish to grant caregiving authority for their child. The form is optional (not required for release) but helps non-parent sponsors access community resources or answer questions from government authorities about the nature of their relationship with an unaccompanied alien child in their care.

○ Revise the burden estimate to account for a decrease in the number of sponsors applying to sponsor a child and an increase in the number care provider facilities. The annual number of respondents decreased from 41,181 to 19,202; the annual number of record keepers increased from 235 to 300; and the annual number of responses per record keeper decreased from 175 to 64.

DEPARTMENT OF HOMELAND SECURITY

Federal Emergency Management Agency

[Docket ID: FEMA-2024-0033; OMB No. 1660-0130]

Agency Information Collection Activities: Submission for OMB Review, Comment Request; Generic Clearance for the Collection of Qualitative Feedback on Agency Service Delivery

AGENCY: Federal Emergency Management Agency, Department of Homeland Security.

ACTION: 30-Day notice of reinstatement and request for comments.

SUMMARY: The Federal Emergency Management Agency (FEMA) will submit the information collection abstracted below to the Office of Management and Budget (OMB) for review and clearance in accordance with the requirements of the Paperwork Reduction Act of 1995. FEMA invites the general public to take this opportunity to comment on a reinstatement, without change, of a previously approved information collection. In accordance with the requirements of the Paperwork Reduction Act of 1995, this notice seeks comments concerning the Generic Clearance for the Collection of Qualitative Feedback on Agency Service Delivery.

DATES: Comments must be submitted on or before May 27, 2025.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the information collection should be made to Director, Information Management Division, 500 C Street SW, Washington, DC 20472, email address FEMA-Information-Collections-Management@fema.dhs.gov or Krista Westinson, Sr. PRA Clearance Officer, Information Management Division, at 202-394-6377, and FEMA-HQ-Forms@fema.dhs.gov.

SUPPLEMENTARY INFORMATION: Executive Order 12862 directs Federal agencies to provide service to the public that matches or exceeds the best service available in the private sector. In order to work continuously to ensure that our programs are effective and meet our customers' needs, FEMA seeks to obtain OMB approval of a generic clearance to collect qualitative feedback on our service delivery. By qualitative feedback, we mean information that provides useful insights on perceptions and opinions but not statistical surveys that yield quantitative results that can be generalized to the population of study.

This proposed information collection previously published in the **Federal Register** on November 21, 2024, at 89 FR 92140 with a 60-day public comment period. No comments were received. The purpose of this notice is to notify the public that FEMA will submit the information collection abstracted below to the Office of Management and Budget for review and clearance.

Collection of Information

Title: Generic Clearance for the Collection of Qualitative Feedback on Agency Service Delivery.

Type of Information Collection: Reinstatement, without change, of a previously approved information collection.

OMB Number: 1660-0130.

FEMA Forms: None.

Abstract: The information collection activity will garner qualitative customer and stakeholder feedback in an efficient, timely manner, in accordance with the Administration's commitment to improving service delivery. This

feedback will provide insights into customer or stakeholder perceptions, experiences, and expectations; provide an early warning of issues with service; or focus attention on areas where communication, training, or changes in operations might improve delivery of products or services. These collections will allow for ongoing, collaborative, and actionable communications between the Agency and its customers and stakeholders. It will also allow feedback to contribute directly to the improvement of program management. Feedback collected under this generic clearance will provide useful information, but it will not yield data that can be generalized to the overall population. This type of generic clearance for qualitative information will not be used for quantitative information collections that are designed to yield reliably actionable results, such as monitoring trends over time or documenting program performance. Such data uses require more rigorous designs that address: The target population to which generalizations will be made, the sampling frame, the sample design (including stratification and clustering), the precision requirements or power calculations that justify the proposed sample size, the expected response rate, methods for assessing potential nonresponse bias, the protocols for data collection, and any testing procedures that were or will be undertaken prior to fielding the study. Depending on the degree of influence the results are likely to have, such collections may still be eligible for submission for other generic mechanisms that are designed to yield quantitative results.

Affected Public: Individuals or Households.

Estimated Number of Respondents: 1,075,000.

Estimated Number of Responses: 1,075,000.

Estimated Total Annual Burden Hours: 268,783.

Estimated Total Annual Respondent Cost: \$12,269,944

Estimated Respondents' Operation and Maintenance Costs: \$0.

Estimated Respondents' Capital and Start-Up Costs: \$0.

Estimated Total Annual Cost to the Federal Government: \$2,349,900.
