elect the form you le online	want to	Use this form if you are required to register as an alien under section 262 of the immigration and Nationality Act (8 U.S.C. 1302)	Before you begin Form G-325R, Biographic Information (Registration), please visit the Alien Registration Requirement page to answer some simple questions to find out if you need to register. If you are not sure whether you need to register, the tool available on this page may help you determine whether you must register. The questions in the tool are solely intended to help you determine whether you must submit Form G-325R. The tool is for informational purposes only, it is not legal advice. It is not a substitute for a consultation with an attorney or an accredited representative.  The Immigration and Nationality Act requires all aliens, with limited exceptions, to apply for registration and fingerprinting if you:  - Are 14 years old or older;  - Were not registered and fingerprinted (if required) when applying for a U.S. visa; and  - Remain in the United States for 30 days or longer for each period of stay  Parents and legal guardians of aliens under age 14 must ensure those aliens are registered. Within 30 days of reaching their 14th birthday, all previously registered aliens must apply for re-registration and fingerprinting.  After an alien registers and appears for fingerprinting (unless waived), DHS will issue evidence of registration. If you are an alien age 18 or older, you must carry and keep this evidence of registration in your personal possession at all times. If you are an aurregistered alien (or previously registered alien who turns 14 years old) and you are in the United States for 30 days or longer for any period of stay, you must comply with these requirements. If you do not comply, you may face criminal and civil penalties, up to and including misdemeanor prosecution, the imposition of fines, and incarceration.
