**Release Date:** September 8, 2025

*Thanks to Governor Pritzker's sanctuary policies, TdA gang members, rapists, kidnappers, and drug traffickers are being released onto Chicago's streets*

CHICAGO – Today, the Department of Homeland Security announced Operation Midway Blitz in honor of [Katie Abraham](https://www.youtube.com/watch?v=xqWTezzPDx0) (<https://www.youtube.com/watch?v=xqWTezzPDx0>), who was killed in a drunk driving hit-and-run car wreck caused by criminal illegal alien Julio Cucul-Bol in Illinois. This ICE operation will target the criminal illegal aliens who flocked to Chicago and Illinois because they knew Governor Pritzker and his sanctuary policies would protect them and allow them to roam free on American streets.

*"DHS is launching Operation Midway Blitz in honor of Katie Abraham who was killed in Illinois by a criminal illegal alien who should have never been in our country. This operation will target the worst of the worst criminal illegal aliens in Chicago," said **Assistant Secretary Tricia McLaughlin**. "For years, Governor Pritzker and his fellow sanctuary politicians released Tren de Aragua gang members, rapists, kidnappers, and drug traffickers on Chicago's streets—putting American lives at risk and making Chicago a magnet for criminals. President Trump and Secretary Noem have a clear message: no city is a safe haven for criminal illegal aliens. If you come to our country illegally and break our laws, we will hunt you down, arrest you, deport you, and you will never return."*
