Homeland Security reposted

Homeland Security @DHSgov

The stakes have never been higher, and the goal has never been more clear:

Remigration now.

Clear goals being:

>Profiling based on skin color & language

>Arresting children

>Raiding Churches

>Deporting without due process

>Separating families

Let's just do it then.

The numbers are low. Just make it happen already.

Let's start with the Muslims too.

The Emir of Qatar will just have to understand.
