**STANDING ORDER OF THE ADELANTO IMMIGRATION COURT RELATING TO
TELEPHONIC APPEARANCES AT ALL HEARINGS**

IT IS HEREBY ORDERED that all attorneys and qualified representatives, for any party may appear telephonically in cases before the Adelanto Immigration Court, without prior approval and without filing a motion in advance. *This order supersedes all previous standing orders for the Adelanto Immigration Court.*

1. It is counsel's responsibility to provide a telephonic number, no later than noon the day before the hearing, to the court staff where they can be reached for the hearing and to be available for the court's call. If the Court is unable to reach counsel by telephone for the hearing, counsel will thereafter be required to appear in-person at any scheduled hearing. For the duration of this order, parties may appear by cell phone or land line. These numbers must be provided to the in-take email box at Adelanto.Immigration.Court@EOIR.USDOJ.GOV.
2. Furthermore, motions for continuance of any detained hearing due to COVID-19 are to be filed with as much notice as possible, but may, on an emergency basis, be made by submitting an email to the above in-take email box.
3. The parties are encouraged to confer and reach stipulations as to fact/legal issues to facilitate the prompt disposition of cases. This is particularly important for bond determination hearings and the parties are encouraged to confer and reach agreement on the eligibility and the amount of a bond. Further, parties should submit affidavits or written statements in lieu of witnesses appearing to facilitate the need to provide and ensure safety and social distancing for EOIR staff, Judges and all parties involved in the proceedings. For Immigration Judges conducting VTC hearings on behalf of Adelanto Immigration Court from a location outside of Adelanto, these same guidelines will apply and correspondence, motions and documents are to be submitted at the in-take email listed above.
4. Any documents which counsel wishes the Court to consider during the hearing must be filed with the Court, and a copy received by opposing counsel or the pro se Respondent at least **five business days** prior to the bond or master hearing and **ten business days** for the merits. Filings on the day of a hearing will only be accepted at the discretion of the Immigration Judge assigned to the case.
5. EMAILS to the Intake box: The subject of your email must contain the nature of the filing; the case number, the date of the next hearing or any court-mandated deadline

for the filing and the initials of the Immigration Judge assigned to the case. Any formal motions included as part of an email must be an attachment and must comply with the Immigration Court Practice Manual.

6. PAGE LIMITS: Effective immediately, for parties using the temporary email account to electronically file, supporting documentation/evidentiary filings are limited to fifty (50) pages in a particular case. If a party intends to file more than fifty (50) pages, the party must electronically file a Table of Contents and then separately submit the supporting documentation/evidentiary filing with the original Table of Contents by using the United States Postal Service or an overnight delivery service no later than the date set for filing the documents with the Immigration Court where the Immigration Judge presides.

This order shall remain in effect until rescinded by the Court.

STANDING ORDER OF THE IMMIGRATION COURT

This order supersedes the Standing Order effective as of June 10, 2020 and supplements the Policy Memorandum 20-13 “EOIR Practices Related to the COVID-19 Outbreak” accessible [here](#).

Detained:

Effective July 20th and until rescinded, any attorney for any party may appear telephonically in any *detained* case before the Arlington Immigration Court without prior approval and without filing a motion in advance. Section 4.15(m)(i) of the Immigration Court Practice Manual is waived for the duration of this Standing Order, including any extensions.

Attorneys who request a telephonic appearance for a particular hearing must call the court to ascertain operational status and inform the Court in advance of the hearing. All Counsel shall provide the best telephone number at which counsel can be reached. Landline telephone numbers are preferred in order to minimize noise and disruption. Representatives appearing telephonically must be able to receive the Court’s telephone call at the time the case is scheduled to be heard and for three hours thereafter.

Respondents are required to be present in court for the hearing, unless their presence is waived or they are appearing via VTC.

Non-Detained:

Effective July 20th and until rescinded, any attorney for any party may appear telephonically in any non-detained Individual (Merits) hearing before the Arlington Immigration Court without prior approval and without filing a motion in advance. Section 4.15(m)(i) of the Immigration Court Practice Manual is waived for the duration of this Standing Order, including any extensions.

Attorneys who request a telephonic appearance for a particular hearing must call the court to ascertain operational status and inform the Court in advance of the hearing. Both Respondent’s and DHS Counsel shall provide the best telephone number at which counsel can be reached. Landline telephone numbers are preferred in order to minimize noise and disruption. Representatives appearing telephonically must be able to receive the Court’s telephone call at the time the case is scheduled to be heard and for three hours thereafter. If the Court is unable to reach counsel by telephone for the hearing, counsel will thereafter be required to appear in-person at any rescheduled hearing.

All Respondents that will testify shall appear in person for Individual (Merits) Hearings. In their discretion, an Immigration Judge may, in exceptional circumstances, grant a motion for a Respondent to testify telephonically, but such motions are strongly disfavored. Parties are encouraged to utilize methods that reduce the number of persons appearing for Individual Hearings. This includes filing sworn written statements in lieu of testimony when appropriate.

An attorney appearing telephonically forfeits the chance to offer documents for filing at the hearing. If the other attorney is present and files documents, the attorney appearing telephonically also forfeits the chance to cite his or her inability to review the documents in objecting to their admission into evidence.

Detained & Non-Detained:

All proceedings shall be limited to a maximum of 10 people in the courtroom -- counsel, Respondent(s), witnesses, security officer(s), and any other necessary people, which will be determined by the presiding judge.

Motions to Continue hearings due to COVID-19 concerns should be filed at least 24 hours prior to the scheduled hearing or as soon as possible and, to the extent practicable, be made to the Court by e-filing. Any emergencies related to COVID-19 arising the day of a hearing should be brought to the Court's attention immediately by calling the Court.

Those parties wishing to file documents more than two-months in advance may still do so; however, the documents must be sent to the Court via the U.S. Postal Service or an overnight delivery service, and not through the temporary e-mail box. However, if documents are filed on May 1, 2020, for a call-up date scheduled after July 1, 2020, they will be rejected.

Note: Applications for asylum are exempt from the two-month temporal filing limit through email and will be considered filed on the date of receipt for purposes of the one-year filing deadline.

For parties using the temporary email account to electronically file pre-hearing briefs, motion briefs, responses, or replies at the Arlington Immigration Court, such filings shall be limited to twenty-five (25) pages. (see ICPM, Ch. 4.19). This limitation applies to the contents of the brief including a statement of facts, issues, burden of proof, argument, conclusion stating the precise relief or remedy sought, and citations or authorities. Font size and spacing shall remain consistent with the ICPM (see Ch. 3.3).

For parties using a temporary email account to electronically file supporting documentation/evidentiary filings at the Arlington Immigration Court, such filings shall be limited to fifty (50) pages, in any particular case. If a party intends to file more than fifty (50) pages, the party must electronically file the Table of Contents and separately submit the supporting documentation/evidentiary filings with the original Table of Contents by using the U.S. mail or an overnight delivery service no later than the date set for filing the documents with the immigration court or consistent with the ICPM (see Ch. 3.1(b)).

Effective immediately, the Court will reject documents filed via the temporary e-mail boxes if filed more than three months before the next hearing date or a court-ordered deadline (“call-up date”), whichever is earlier. Those wishing to file documents more than three months in advance may still do so; however, they must be sent to the court via the U.S. Postal Service or an overnight delivery service, not through the temporary e-mail box.

- **HEARING EXAMPLE:** If documents are filed via the temporary e-filing mailbox on April 20, 2020, for a hearing scheduled on or before July 19, 2020, they will be accepted provided they conform with the ICPM and the e-mail filing instructions. However, if documents are filed on April 20, 2020, for a hearing scheduled on or after July 20, 2020, they will be rejected.
- **CALL-UP DATE EXAMPLE:** If documents are filed via the temporarily e-filing mailbox on April 20, 2020, for a call-up date scheduled on or before July 19, 2020, they will be accepted provided they conform with the ICPM and the e-mail filing instructions. However, if documents are filed on April 20, 2020, for a call-up date scheduled on or after July 20, 2020, they will be rejected.

Documents rejected for not complying with the three-month temporal limit on filing may be filed by mail or through an overnight delivery service. Notwithstanding the three-month temporal limit on filings through email, parties are required to comply with all deadlines for filings, as specified in the ICPM, ch. 3.1(b).

Note: Applications for asylum are exempt from the three-month temporal limit on filings through email and will be considered filed on the date of receipt for purposes of the one-year filing deadline.

The subject of your email must contain the nature of the filing, the alien registration number, the date of the next hearing or any court-mandated deadline for the filing, and the initials of the immigration judge assigned to the case. If you are submitting documents pursuant to a court-mandated filing deadline (“call-up date”), you must indicate such in the subject line.

Example: A filer of a motion to continue with a case with alien registration number 012345678 and a hearing date of 06/30/2020 would input, “Motion to Continue - 012345678 - 06/30/2020” in the subject line of the email. If the filer knows the hearing is scheduled before Judge William A. Jones, the subject would be, “Motion to Continue - 012345678 - 06/30/2020 - W.A.J.”

Example: A filer of an application for cancellation of removal with a case with alien registration number 012345678 and a hearing date on 01/02/2021 but a call-up date of 06/25/2020 would input, "Application for Cancellation of Removal - 012345678 – Call-up 06/25/2020" in the subject line of the email. If the filer knows the hearing is scheduled before Judge William A. Jones, the subject would be, "Application for Cancellation of Removal - 012345678 – Call-up 06/25/2020 - WAJ."

IT IS FURTHER ORDERED that a page-limit on filings through email shall be in effect until further notice.

Effective immediately, for parties using a temporary email account to electronically file, supporting documentation/evidentiary filings are limited to fifty (50) pages in a particular case. If a party intends to file more than fifty (50) pages, the party must electronically file the Table of Contents and separately submit the supporting documentation/evidentiary filings with the original Table of Contents by using the U.S. Postal Service or an overnight delivery service no later than the date set for filing the documents with the immigration court.

This order supersedes the prior order of April 20, 2020

CHICAGO IMMIGRATION COURT

STANDING ORDER NUMBER ONE:
REGARDING DOCUMENTS FILED VIA ELECTRONIC MAIL

Due to the COVID-19 pandemic and in the interest of public health and safety, the Chicago Immigration Court is accepting the filing of documents via electronic mail (email). This standing order supplements the Policy Memorandum 20-11 "Filings and Signatures" (accessible [here](#)). The following Order regarding procedures for filing documents via email in the Chicago Immigration Court is effective immediately, is released contemporaneously with Standing Order Number Two, and replaces any prior standing order for Chicago:

1. Under no circumstances shall any individual who is currently diagnosed with the COVID-19 virus, or who has had known contact with a person with COVID-19 within the last 14 days, or who has been asked to self-quarantine, or who is experiencing symptoms consistent with COVID-19, enter the Court to file documents or conduct any business.
2. The Court strongly encourages filings be made by U.S. mail, overnight delivery service, or email, consistent with the requirements set forth in this Order. Filings via email may be made to the Court's temporary email box at:

Chicago.Immigration.Court@usdoj.gov

ChicagoDetained.Immigration.Court@usdoj.gov

Practitioners are reminded that, as noted in Policy Memorandum PM 20-13, this email address shall be deactivated on September 4, 2020, which is 60 days after the court has resumed non-detained hearings.

3. Subject to the provisions of this Order, all filings must otherwise comply with the provisions of the Immigration Court Practice Manual (ICPM), accessible [here](#).
4. **Duplicate Filings:** Each individual filing should be made one time, by one manner of filing (i.e., U.S. mail, overnight delivery service, email, or in-person), except that the original of any Form I-589 filed by email must also be submitted as described in paragraph 6.
5. **Three-Month Temporal Limit on Filings through Email:** For non-detained cases, the Court will reject email filings, if filed more than three months before the next hearing date or a Court-ordered filing deadline, whichever is earlier. Those electing to file documents more than three months in advance may still do so; however, such documents must be filed by U.S. mail, overnight delivery service, or in-person, not through the Court's temporary email box. This temporal limit does not apply to detained cases.

Example: Under most circumstances, an applicant scheduled for a non-detained individual merits hearing on December 1 may not file supporting documents via the Court's temporary email box until September 1. Except as otherwise provided in this Order, earlier submissions may be rejected.

Applications for asylum (Form I-589) are exempt from the three-month temporal limit on filings through email and will be considered filed on the date of receipt for purposes of the one-year filing deadline. The original of any Form I-589 filed by email must also be submitted by U.S. mail or overnight delivery service, or in person at the Court's filing window.

6. **Email Subject Line:** For filings via the Court's temporary email box, and consistent with the EOIR's guidelines, "Filing by Email – Immigration Courts", accessible [here](#), the subject line of the email must contain the nature of the filing, the case number ("alien registration number"), the date of the next hearing, any Court-mandated deadline for the filing, and the initials of the Immigration Judge assigned to the case. The initials of each Immigration Judge are listed in Appendix "A," attached hereto.

Example: For a motion to continue a hearing before Judge William A. Jones, for case number A 012 345 678, with a hearing date of June 30, 2020, and a Court-ordered deadline of June 25, 2020, the subject line would read: "Motion to Continue – A 012 345 678 – 06/30/20 – filing deadline 06/25/20 – WAJ."

Failure to follow the guidelines may result in rejection of the filing.

7. **Page Limitation:** Filings made via the Court's temporary email box are limited to fifty (50) single-sided pages. Any filing over fifty (50) single-sided pages must be filed by U.S. mail or overnight delivery service, or in person at the Court's filing window.
8. The cover page of all filings, including those filed via email, must contain the next hearing date, time, and, if applicable, the date of any Court-ordered filing deadline. Filings without this information may be rejected.

IT IS SO ORDERED.

STANDING ORDER NUMBER TWO:
REGARDING TELEPHONIC APPEARANCES

Due to the COVID-19 pandemic and in the interest of public health and safety, the Chicago Immigration Court hereby issues the following standing Order regarding telephonic appearances. This standing order supplements the Policy Memorandum 20-13 "EOIR Practices Related to the COVID-19 Outbreak" accessible [here](#). This Order is effective immediately for all scheduled, non-detained hearings, is released contemporaneously with Standing Order Number One, regarding Documents Filed Via Electronic Mail, and replaces any prior standing order pertaining to non-detained hearings in Chicago. The Order shall remain in effect until further Order of the Court.

A. MASTER HEARINGS

1. All non-detained master calendar hearings for represented respondents (family, adult, and juvenile) will be conducted telephonically without the need for a motion for telephonic appearance to be filed in advance. Similarly, either party may move for a future in-person hearing, and such motion will be considered by the Immigration Judge. A respondent is considered represented once counsel or an accredited representative files a Form EOIR-28 with the Court in accordance with 8 C.F.R. § 1292.4(a).
2. The Court hereby waives the presence of all represented respondents for master hearings in accordance with 8 C.F.R. § 1003.25(a).
3. Counsel or accredited representatives for respondents are strongly encouraged to file written pleadings at least fifteen (15) calendar days in advance of the telephonic master hearing. For an example of acceptable written pleadings, see the Immigration Court Practice Manual, Appendix L (June 11, 2020), accessible [here](#). Further, practitioners are encouraged to follow the Best Practices outlined in Policy Memorandum 20-13.
4. Unless otherwise ordered by the individual Immigration Judge, all filings, including but not limited to, applications, pretrial motions, briefs, and supplemental documents, must be filed at least fifteen (15) calendar days in advance of the telephonic master hearing. The Court will not accept any filings on the date of the telephonic master hearing. The parties are strongly encouraged to submit filings by way of U.S. mail, overnight delivery service, or e-mail, in accordance with the Court's *Standing Order Number One Regarding Documents Filed Via Electronic Mail*.

B. MERITS HEARINGS

1. The individual Immigration Judge, in his or her discretion, and upon consent of the respondent, may conduct a telephonic merits hearing in accordance with 8 C.F.R. § 1003.25(c). For any merits hearing, a timely motion for telephonic appearance is required in advance of the hearing and must include a sworn affidavit or declaration from the respondent indicating that he or she has been advised of the right to proceed in person and waives that right. *See* 8 C.F.R. § 1003.25(c).
2. The parties are strongly encouraged to confer and reach stipulations as to facts and/or legal issues in advance of all hearings. *See* 8 C.F.R. § 1003.21; Practice Manual, Chap. 4.18; *Matter of Yewondwosen*, 21 I&N Dec. 1025 (BIA 1997).
3. Unless otherwise ordered by the individual Immigration Judge, all filings, including but not limited to applications, pretrial motions, briefs, and supplemental documents, must be filed at least fifteen (15) calendar days in advance of the telephonic merits hearing. The parties are strongly encouraged to submit filings by way of U.S. mail, overnight delivery service, or e-mail, in accordance with the Court's ***Standing Order Number One Regarding Documents Filed Via Electronic Mail***. No filings, other than rebuttal or impeachment evidence, will be accepted in Court on the date of the telephonic merits hearing. *See* Immigration Court Practice Manual, Chap. 3.1(b)(ii)(A) (June 11, 2020).
4. Unless otherwise ordered by the individual Immigration Judge, the respondent must file any changes, corrections or amendments to all pending applications and/or to his or her declaration(s) at least fifteen (15) calendar days in advance of the telephonic merits hearing. The respondent is strongly encouraged to submit such filings by way of U.S. mail, overnight delivery service, or e-mail, in accordance with the Court's ***Standing Order Number One Regarding Documents Filed Via Electronic Mail***.
5. In cases where the parties have agreed to request that the Court issue a decision solely on the sworn application(s) and documentary evidence, and in accordance with the Best Practices as noted in Policy Memorandum 20-13, the parties must file a **Joint or Unopposed Motion to Adjudicate Application Without Evidentiary Hearing on the Merits** in advance of any hearing. The **Joint or Unopposed Motion to Adjudicate Application Without Evidentiary Hearing on the Merits** must include at a minimum the following:
 - a. A sworn affidavit or declaration from the respondent indicating:
 - 1) that the respondent has been advised of the right to proceed in person and waives that right;
 - 2) that any application or request for relief on which the respondent is proceeding and/or affidavit or supporting declaration has been read to the respondent in a language the respondent speaks and understands;
 - 3) that any application or request for relief and all documentary evidence is true, correct and complete to the best of the respondent's knowledge; and

- 4) that any other pending relief applications are withdrawn or to be held in abeyance.
See 8 C.F.R. § 1003.25(c).
- b. A statement from the parties regarding their respective positions on appeal;
- c. A statement from DHS counsel regarding the status of requisite identity, law enforcement, or security investigations or examinations, and, if completed, the applicable expiration date in accordance with 8 C.F.R. § 1003.47(a); and
- d. If the respondent is applying for voluntary departure under INA §§ 240B(a) or (b), his or her counsel or accredited representative must clearly indicate in the Motion that he or she has explained to the respondent the conditions that attach to voluntary departure as set forth in 8 C.F.R. § 1240.26 and *Matter of Gamero*, 25 I&N Dec. 164 (BIA 2010). In addition, the Motion must also include a sworn affidavit or declaration from the respondent that he or she understands the conditions that attach to voluntary departure, and that he or she accepts such conditions should voluntary departure be granted in the exercise of the Court's discretion. *See id.* For the purposes of post-conclusion voluntary departure during the period this Standing Order is in effect, the parties should assume the Court would set the minimum bond of \$500 and grant the maximum period of sixty (60) days to depart.

GENERAL PROVISIONS

1. To ensure the quality of the record, the parties appearing telephonically are strongly encouraged to be available by landline telephone in a quiet private location. Failure to respond when the case is called may result in the conclusion that counsel has failed to appear.

Nothing in this Standing Order should be interpreted to supplant an Immigration Judge's authority to manage his or her cases.

IT IS SO ORDERED.

Parties shall file any and all motions, documents or evidence by prior to any scheduled proceedings in accordance with the Immigration Practice Manual. The Court will continue to accept email filings until **September 4, 2020**. The Court is not accepting email filings that are sixty (60) days in advance of any filing deadline or hearing date. **This limitation does not apply to applications for asylum.** Additionally, any submissions over fifty (50) pages **must** be made by means other than email. Attempts to circumvent the (50) page limit by submitting multiple submissions shall result in the entire submission being rejected. No conformed copy of any filing made through the Court's email will be provided. If counsel wishes to receive a conformed copy, they must follow the procedure set forth in the Immigration Court Practice Manual. Counsel should refrain from contacting the Court by phone or email to confirm receipt of any filing through the Court's email.

Time-Sensitive Filings: All filing deadlines ordered by the Court remain in effect. Unless otherwise ordered by the Court, all filings are due in accordance with the deadlines established in the Immigration Court Practice Manual, Chapter 3.1(b). Untimely filings are subject to the consequences identified in the Immigration Court Practice Manual, Chapter 3.1(d).

Page Limit: For documents relating to country conditions or other reference materials, a **maximum of 150** pages total may be submitted. The relevance of each background/country condition document shall be set forth in the table of contents or by citation in the prehearing statement. A party wishing to submit more than 150 pages of such documentation must first establish good cause in a written motion that identifies the documents sought to be submitted, why they are believed to be necessary, and what they show that is not already established by any prior submissions. The U.S. Department of State's most recent Country Report on Human Rights Practices and Report on International Religious Freedom may be submitted, or made part of the record by motion, without counting against this page limit.

REQUESTS FOR TELEPHONIC PREHEARING CONFERENCES

Parties are reminded that telephonic prehearing conferences may be requested to narrow issues, obtain stipulations, exchange information, or otherwise simplify and organize the proceeding. 8 C.F.R. § 1003.21(a). Prehearing conferences may be initiated by the Immigration Judge or requested by a party, in writing, to resolve matters without the need for a hearing. If either party believes that a matter is appropriately resolved via a pretrial conference that party shall confer with the opposing party and file an appropriate motion with the Court. The Court will then review the record and take action as appropriate.

NON DETAINED

INDIVIDUAL CALENDAR HEARINGS

Pursuant to 8 C.F.R. § 1003.25(c), Counsel and respondent(s) may appear by telephone¹ if good cause is shown. Counsel and respondent

¹If a respondent wishes to make such a request, the respondent must file a request in writing 15 days prior to the scheduled hearing date and attach to the request a sworn statement clearly stating that the respondent is waiving his/her right to appear in person or via VTC and stating that he/she has been advised of the right to proceed in person or through VTC. 8 U.S.C. 1229a(b)(2).

must be together and they must appear through a landline. Parties are encouraged to utilize methods that reduce the number of persons appearing for Individual Hearings. This includes filing sworn written statements in lieu of testimony when appropriate. Parties should refrain from bringing children or other persons not essential to the scheduled individual hearing. The presiding judge retains the right to exclude non-essential persons from the courtroom.

Motions for witnesses to appear by telephone must be submitted no later than fifteen (15) days in advance of the individual calendar hearing. Motions for witnesses to appear telephonically must include a summary of the witness's expected testimony that demonstrates its relevance, materiality, and its necessity.

In all individual calendar hearings wherein the respondent is represented and the relief sought includes asylum, withholding of removal, and/or protection under the Convention Against Torture, Counsel for the respondent shall submit proposed stipulated facts that form the basis for the claim for relief. The proposed stipulated facts shall delineate any particular social group(s), if applicable, and shall be filed with the Court and served on the Department of Homeland Security no later than thirty (30) days prior to the individual calendar hearing.

No additional filing will be accepted at the hearing if counsel does not appear in person, and the decision of the Court will be based on the documents in the record at the close of the hearing. Any party appearing telephonically waives the right to object to the admissibility of any document offered in Court on the sole basis that they are unable to examine the document.

Parties are encouraged to resolve cases through written pleadings, stipulations and joint motions. If agreed to by the parties, the Court may adopt the proposed stipulated facts in lieu of, or in addition to, the respondent's oral testimony and rely on such stipulated facts in reaching a decision.

This Order will remain in full force and effect until and unless modified by any future order.

STANDING ORDER RELATING TO ELECTRONIC FILINGS

(Superseding the order issued on 4/22/2020)

IT IS HEREBY ORDERED that parties filing documents through the Dallas Immigration Court's electronic mailbox shall adhere to the following instructions. These instructions supersede the general instructions for electronic filings:

I. Three-Month Temporal Limit on Filings through E-mail

The Dallas Immigration Court is imposing a three-month temporal filing limit on documents filed through e-mail. Effective immediately, the Dallas Immigration Court will reject documents filed via its e-mail box if filed more than three months before the next hearing date or a court-ordered deadline ("call-up date"), whichever is earlier. Those wishing to file documents more than three months in advance may still do so; however, such documents must be sent to the court via the U.S. Postal Service or an overnight delivery service, not through the e-mail box.

HEARING EXAMPLE: If documents are filed via the e-filing mailbox on April 20, 2020, for a hearing scheduled on or before July 19, 2020, they will be accepted provided they conform with the Immigration Court Practice Manual (ICPM) and the e-mail filing instructions. However, if documents are filed on April 20, 2020, for a hearing scheduled on or after July 20, 2020, they will be rejected.

CALL-UP DATE EXAMPLE: If documents are filed via the e-filing mailbox on April 20, 2020, for a call-up date scheduled on or before July 19, 2020, they will be accepted provided they conform with the ICPM and the e-mail filing instructions. However, if documents are filed on April 20, 2020, for a call-up date scheduled on or after July 20, 2020, they will be rejected.

Documents rejected for not complying with the three-month temporal limit on filing may be filed by mail or through an overnight delivery service. Notwithstanding the three-month temporal limit on filings through email, parties are required to comply with all deadlines for filings, as specified in the ICPM, ch. 3.1(b). See 8 C.F.R. §1003.31(c).

NOTE: Applications for asylum are exempt from the three-month temporal limit on filings through email and will be considered filed on the date of receipt for purposes of the one-year filing deadline.

2. E-mail Subject Line

The subject of filer's email must contain the nature of the filing, the alien registration number, the date of the next hearing or any court-mandate deadline for the filing, and the initials of the immigration judge assigned to the case, if known.

EXAMPLE: A filer of a motion to continue with a case with alien registration number 012345678 and a hearing date of 06/30/2020 would input, "Motion to Continue - 012345678 - 06/30/2020" in the subject line of the email. If the filer knows the hearing is scheduled before Judge William A. Jones, the subject would be, "Motion to Continue - 012345678 - 06/30/2020 - WAJ"

EXAMPLE: A filer of an application for cancellation of removal with a case with alien registration number 012345678 and a hearing date on 01/02/2021 but a court-mandated filing deadline ("call-up date") of 06/25/2020 would input, "Application for Cancellation of Removal - 012345678 - 06/25/2020" in the subject line of the email. If the filer knows the hearing is scheduled before Judge William A. Jones, the subject would be, "Application for Cancellation of Removal - 012345678 - 06/25/2020 - WAJ."

3. Limitation on Size of Filing

Effective immediately, for parties using the Dallas Immigration Court's email account to electronically file, supporting documentation/evidentiary filings are limited to fifty (50) pages single sided and double-spaced in a particular case. If a party intends to file more than fifty (50) pages, the party must electronically file the Table of Contents and separately submit the supporting documentation/evidentiary filings with the original Table of Contents by using the U.S. mail or an overnight delivery service no later than the date set for filing the documents with the immigration court.

DENVER IMMIGRATION COURT

**STANDING ORDER REGARDING TELEPHONIC APPEARANCES
FOR REPRESENTED RESPONDENTS DURING THE
COVID-19 PANDEMIC**

Due to the COVID-19 pandemic and in the interest of public health and safety, the Denver Immigration Court hereby issues the following standing Order regarding telephonic appearances. The following Order regarding telephonic appearances is effective immediately for all scheduled hearings and shall remain in effect until further Order of the Court.

A. PLEADINGS, APPLICATIONS FOR RELIEF, AND MASTER CALENDAR HEARINGS

1. All master calendar hearings for represented respondents will be conducted telephonically without the need for a motion for telephonic appearance to be filed in advance. *See* Appendix A. A respondent is considered represented once counsel or an accredited representative files a Form EOIR-28 with the Court in accordance with 8 C.F.R. § 1292.4(a). If counsel or respondent wish to appear in person, they must file a motion to notify the court in advance of the hearing.
2. In lieu of a master calendar hearing, the Immigration Judge may issue a scheduling order for represented respondents ordering the filing of written pleadings, applications for relief, and other required documents, evidence, and briefs. If the Immigration Judge issues a scheduling order in lieu of scheduling a master calendar hearing, the parties must abide by those scheduling deadlines.
3. The Court hereby waives the presence of all represented respondents for master hearings in accordance with 8 C.F.R. § 1003.25(a).
4. For any master hearings on the Court's juvenile docket, the Court waives the presence of any respondent who is in the care and custody of the Office of Refugee Resettlement (ORR) or who has been approved for participation in the Unaccompanied Refugee Minor (URM) program.
5. Unless otherwise ordered by the Immigration Judge, all filings, including but not limited to applications, pretrial motions, briefs, and supplemental documents, must be filed at least fifteen (15) calendar days in advance of the telephonic master hearing. The Court will not accept any filings on the date of the telephonic master hearing. The parties are strongly encouraged to submit filings by way of U.S. mail, overnight delivery service, or e-mail until such time as the e-mail filing mailbox is deactivated.

B. TELEPHONIC MERITS HEARINGS

1. The individual Immigration Judge, in his or her discretion, and upon consent of the respondent, may conduct a telephonic merits hearing in accordance with 8 C.F.R. § 1003.25(c). *See* Appendix A. For any merits hearing, a timely motion for telephonic appearance is required in advance of the hearing and must include a sworn affidavit or declaration from the respondent indicating that he or she has been advised of the right to proceed in person and waives that right. *See* 8 C.F.R. § 1003.25(c).
2. Unless otherwise ordered by the individual Immigration Judge, all filings, including but not limited to applications, pretrial motions, briefs, and supplemental documents, must be filed at least fifteen (15) calendar days in advance of the telephonic merits hearing. The parties are strongly encouraged to submit filings by way of U.S. mail, overnight delivery service, or e-mail until such time as the e-mail filing mailbox is deactivated. Absent good cause, no filings, other than rebuttal or impeachment evidence, will be accepted in Court on the date of the telephonic merits hearing. *See* Immigration Court Practice Manual, Chap. 3.1(b)(ii)(A). All rebuttal or impeachment evidence, in addition to evidence filed late for good cause, must be available in an electronic format.
3. Unless otherwise ordered by the individual Immigration Judge, the respondent must file any changes, corrections, or amendments to any pending application(s) and/or to his or her declaration(s) at least fifteen (15) calendar days in advance of the merits hearing. The respondent is strongly encouraged to submit such filings by way of U.S. mail, overnight delivery service, or e-mail until such time as the e-mail filing mailbox is deactivated.
4. In-person appearances for scheduled hearings are limited to attorneys, accredited representatives, respondents, applicants, witnesses, and other individuals determined to be essential by the presiding judge. The number of people in a courtroom is limited to ten (10) individuals at any time, including the Immigration Judge, interpreter, Respondent(s), Respondent's counsel, and DHS counsel. 8 C.F.R. § 1003.27(a)-(b). All proposed witnesses, including the Respondent, must provide sworn statements submitted in accordance with any set pre-hearing filing deadline.
 - a. If a party wishes to examine or cross-examine a witness (other than a Respondent), that party must file a Motion to Allow Witness Testimony at least fifteen days ahead of the scheduled merits hearing. Such a Motion must provide a reason as to why such testimony should be allowed in addition to the written testimony required from all witnesses. The Motion to Allow Witness Testimony must also include information allowing for a telephonic appearance of the witness; in-court testimony will be allowed only upon a showing as to why written and/or telephonic testimony would not suffice. No witnesses will be allowed to appear in court other than with advance written approval by the Court of a motion allowing for such testimony.

C. GENERAL PROVISIONS

1. While this order is effective, any party may call the Denver Immigration Court at (303) 844-4815 to request that a hearing be continued if Respondent's attorney, accredited representative, the respondent(s), or witnesses are unable to appear, pursuant to the procedures articulated by this order, because they are exhibiting any symptoms of COVID-19, are subject to a quarantine or isolation order of a local, state, or federal official, including situations where the attorney cares for a sick or at-risk family member or minor child, or because of guidance or orders issued by the Centers for Disease Control, the Colorado Department of Health, or a County Health Officer. 8 C.F.R. 1003.10(b), 1003. 29. Motions to Continue may also be filed in writing or electronically as described above.
2. Failure to respond when the case is called may result in the conclusion that counsel has failed to appear. Scheduling simultaneous appearances in multiple locations does not excuse a failure to appear.
3. All parties appearing telephonically before the Court must further comply with the attached instructions for making telephonic appearances. *See* Appendix A.
4. The presiding judge reserves the right to halt any remote appearance in progress, to bar any telephone appearances in any case and to order the attorney, accredited representative, respondent, applicant or witness to personally appear. Nothing in this Order affects the authority of the presiding judge to exclude persons on a case-by-case basis, including persons exhibiting signs or symptoms of a potentially communicable condition.
5. Nothing in this Standing Order should be interpreted to supplant an Immigration Judge's authority to manage his or her cases or issue individual orders in a specific case.

IT IS SO ORDERED.

The following instructions are incorporated in the Harlingen Immigration Court COVID-19 Standing Order:

The Executive Office for Immigration Review (EOIR) has established temporary email accounts for immigration courts nationwide to facilitate electronic filing for all parties while the rollout of the EOIR Court and Appeals System (ECAS) is delayed due to COVID-19. Those who have already opted-in to ECAS should continue to use ECAS where it is available. Others who wish to utilize electronic filing may file through email as instructed below. Please note EOIR cannot provide technical support or confirm receipt of filings at this time. If you have questions, please contact the EOIR Office of Policy, Communications and Legislative Affairs Division at PAO.EOIR@usdoj.gov.

All filers:

- Failure to follow the guidelines listed below may result in the rejection of your submitted document filing. If your submission is rejected, you will be notified by email with a request to correct the issue and refile the document.
- The subject of your email must contain the nature of the filing, the alien registration number, the date of the next hearing, and the initials of the immigration judge assigned to the case.

Example: A filer of a motion to continue with a case with alien registration number 012345678 and a hearing date on 01/02/2021 would input, "Motion to Continue - 012345678 - 01/02/2021" in the subject line of the email. If the filer knows the hearing is scheduled before Judge William A. Jones, the subject would be, "Motion to Continue - 012345678 - 01/02/2021 - WAJ"

- While multiple documents for the same case may be submitted in one email, do not combine separate submissions into one file. Each document type must be submitted separately and include the type of filing in the file name.
- You remain responsible for service on the opposing party.
- Submit certificate of service with every filing in the same email.
- All electronically-filed documents must meet the requirements of filings outlined in the Immigration Court Practice Manual. Further, an electronically filed document cannot be larger than 25 megabytes (MB). For submissions that would be larger than 25 MB, please follow the below steps:
 - split the document into multiple files so no portion is larger than 25 MB;
 - name each document so that it is clear they should be matched with the other portions.
Example: 5678_1234ABC_Brief_Part1; 5678_1234ABC_Brief_Part2
- Files must be a minimum resolution of 300dpi.
- File formats accepted are PDF and JPEG. We cannot accept other file formats.
- Do not include links to non-EOIR websites in your submissions.

- Filings with more than one page must include page numbers.
- If scanning and attaching a document, pages must appear right-side-up.
- The filing party must maintain the originals of any documents that are electronically filed and must make the originals available for production, if so ordered, or for inspection upon request by a party.

Attorneys and fully-accredited representatives

- If you have opted-in to ECAS, do not use email in lieu of filing through ECAS.
- Name your file with the last four digits of your client's alien registration number, your EOIR ID, and the type of filing.

Example: Attorney Johnson, EOIRID 1234ABC, with client 012345678, filing an asylum application would name the document: 5678_1234ABC_AsylumApplication

Respondents

- Name your file with the last four digits of your alien registration number, your last name, and the type of filing.

Example: Jane Smith, alien registration number 876543210, filing a motion to expedite, would name the document: 3210_Smith_MotionToExpedite

Example: Submitting an asylum application and country conditions evidence, attach the application with the file name 5678_1234ABC_AsylumApplication in one file and the country conditions with the file name 5678_1234ABC_CountryConditions.

IN CASES BEFORE THE HARTFORD IMMIGRATION COURT**

Effective immediately until further order of this court:

1. Any attorney or qualified representative, for any party may appear telephonically in cases before the Hartford Immigration Court, without prior approval and without filing a motion in advance. Attorneys or qualified representatives who would like to appear telephonically, either with or without respondent(s), for a particular case should contact the Hartford Immigration Court, at 860-240-3881, in advance of the hearing and should provide: the A-number, the time and date of the scheduled hearing, and the best phone number to be reached for the hearing.
2. Motions to continue cases due to COVID-19 concerns should be filed with as much notice as possible, but may, on an emergency basis, be made to the Hartford Immigration Court, by e-mail at Hartford.Immigration.Court@USDOJ.GOV while copying opposing counsel.
3. Three-Month Temporal Limit on Filings through Email

The Hartford Immigration Court is imposing a three-month temporal filing limit on documents filed through email. Effective immediately, the court will reject documents filed via the temporary e-mail boxes if filed more than three months before the next hearing date or a court-ordered deadline ("call-up date"), whichever is earlier. Those wishing to file documents more than three months in advance may still do so; however, they must be sent to the court via the U.S. Postal Service or an overnight delivery service, not through the temporary e-mail box.

HEARING EXAMPLE: If documents are filed via the temporary e-filing mailbox on April 20, 2020, for a hearing scheduled on or before July 19, 2020, they will be accepted provided they conform to the ICPM and the e-mail filing instructions. However, if documents are filed on April 20, 2020, for a hearing scheduled on or after July 20, 2020, they will be rejected.

CALL-UP DATE EXAMPLE: If documents are filed via the temporary e-filing mailbox on April 20, 2020, for a call-up date scheduled on or before July 19, 2020, they will be accepted provided they conform to the ICPM and the e-mail filing instructions. However, if documents are filed on April 20, 2020, for a call-up date scheduled on or after July 20, 2020, they will be rejected.

Documents rejected for not complying with the three-month temporal limit on filing may be filed by mail or through an overnight delivery service. Notwithstanding the three-month temporal limit on filings through email, parties are required to comply with all deadlines for filings, as specified in the ICPM, Ch. 3.1(b).

NOTE: Applications for asylum are exempt from the three-month temporal limit on filings through email and will be considered filed on the date of receipt for purposes of the one-year filing deadline.

EMAIL:

The subject of your email must contain the nature of the filing, the alien registration number, the date of the next hearing or any court-mandate deadline for the filing, and the initials of the immigration judge assigned to the case.

EXAMPLE: A filer of a motion to continue with a case with alien registration number 012345678 and a hearing date of 06/30/2020 would input, "Motion to Continue - 012345678 - 06/30/2020" in the subject line of the email. If the filer knows the hearing is scheduled before Judge William A. Jones, the subject would be, "Motion to Continue - 012345678 - 06/30/2020 - WAJ"

EXAMPLE: A filer of an application for cancellation of removal with a case with alien registration number 012345678 and a hearing date on 01/02/2021 but a court-mandated filing deadline (“call-up date”) of 06/25/2020 would input, “Application for Cancellation of Removal - 012345678 – 06/25/2020” in the subject line of the email. If the filer knows the hearing is scheduled before Judge William A. Jones, the subject would be, “Application for Cancellation of Removal - 012345678 - 06/25/2020 – WAJ.”

This standing order supersedes the standing order issued on March 30, 2020.

STANDING ORDER NO. 01
(PROTOCOLS GOVERNING PROCEEDINGS DURING THE COVID-19 PANDEMIC)

Given the severity of the current COVID-19 pandemic, and in consideration of all attendant proclamations and restrictions, the Houston-Smith St. Immigration Court and Annex will implement the precautionary measures listed below.

Effective immediately and until further notice, it is therefore ORDERED as follows:

1. The Court may allow anyone involved in any hearing or proceeding of any kind to participate remotely, such as by teleconferencing or video teleconferencing, as practicable.
2. Attorneys and accredited representatives may elect to make a remote appearance by telephone without filing a motion in advance of a scheduled hearing by calling the Court's main desk at 713-718-3870 at least one business day in advance of the scheduled hearing and providing the following information:
 - a. The client's alien registration number;
 - b. The name of the presiding judge;
 - c. The date of the hearing; and,
 - d. The number at which the attorney or accredited representative can be contacted.
3. To ensure the quality of the record, anyone appearing by telephone shall be in a quiet, private location. The call may never be placed on hold. The use of car phones, speakerphones or phones in public places is prohibited.
4. If an attorney or accredited representative schedules a telephonic appearance and fails to respond when the matter is called, the Court may treat the failure to respond as a failure to appear by the attorney or accredited representative. Scheduling simultaneous appearances in multiple locations does not excuse a failure to appear.
5. Attorneys and accredited representatives who appear by telephone do so with the understanding that paper or electronic filings must be filed in compliance with all deadlines set by the Court or, if none, in accordance with the filing deadlines set forth in the Immigration Court Practice Manual.
6. No filings will be accepted in court on the date of a scheduled hearing unless filed by a *pro se* respondent or applicant. The decision of the presiding judge will be based on documents in the record at the close of the hearing.

7. Filing by mail and electronic means is strongly encouraged. To reduce the threat of contracting or passing the virus, the Court is temporarily accepting motions, pleadings, applications, briefs, notices, and other documents sent by e-mail to Houston.Immigration.Court@usdoj.gov. The filing instructions are found at: <https://www.justice.gov/eoir/filing-email>.
8. The presiding judge reserves the right to halt any remote appearance in progress, to bar any telephone appearances in any case and to order the attorney, accredited representative, respondent, applicant or witness to personally appear.
9. No attorney, accredited representative, respondent, applicant, witness, or member of the public may attend a hearing in person if they have tested positive for COVID-19 in the 14 days prior to the scheduled hearing, have had contact with anyone who has tested positive for COVID-19 in the 14 days prior to the scheduled hearing, have COVID-19 symptoms (fever, cough, shortness of breath), or are under an order to self-quarantine. Parties and counsel shall immediately inform the Court in writing or by calling the main desk at 713-718-3870 if they fall into any of the above-listed categories.
10. Nothing in this Order affects the authority of the presiding judge to exclude persons on a case-by-case basis, including persons exhibiting signs or symptoms of a potentially communicable condition.
11. In-person appearances for scheduled hearings are limited to attorneys, accredited representatives, respondents, applicants, witnesses, Court interpreters, security personnel, and other individuals determined to be essential by the presiding judge.
12. To the extent not already authorized, in all case types, whenever a judge is required to sign an order, judgment, or notification, the judge may electronically sign with a digital signature.

**STANDING ORDER: TELEPHONIC APPEARANCES IN CASES BEFORE THE
IMPERIAL IMMIGRATION COURT DUE TO COVID-19**

Effective immediately and until rescinded by the Court, any attorney or qualified representative for any party scheduled for master calendar, bonds, merits, or reasonable/credible fear hearings before the Imperial Immigration Court may appear telephonically in cases before the Imperial Immigration Court without prior approval and without filing a motion in advance.

Attorneys who wish to appear telephonically must contact court staff in advance of the hearing and provide the best phone number at which to be reached. If the Court is unable to reach counsel by telephone for the hearing, counsel will thereafter be required to appear in-person at any rescheduled hearing.

The Parties are encouraged to confer and reach stipulations as to fact/legal issues to facilitate the prompt disposition of cases. This is particularly important for bond determination hearings and the parties are encouraged to confer and reach agreement on the eligibility and the amount of bond. Further, parties should submit affidavits or written statements in lieu of witnesses appearing.

Any documents to be considered by the Court during the hearing must be filed with the Court, and a copy received by opposing counsel or *pro se* respondent, at least two business days prior to the hearing. The Imperial Immigration Court accepts electronic filing of documents in cases before it, and all parties are strongly encouraged to file any and all documents electronically. No additional filing will be accepted at the hearing if counsel does not appear in person, and the decision of the Court will be based on the documents in the record at the close of the hearing. Any party appearing telephonically waives the right to object to the admissibility of any document offered in Court on the sole basis that they are unable to examine the document.

REVISED STANDING ORDER OF THE KANSAS CITY IMMIGRATION COURT

Effective immediately, the Kansas City Immigration Court is implementing the below safety precautions and limitations with regards to all hearings.

1. In-person appearances are limited to the following individuals: Respondent, Respondent's counsel, DHS counsel, court interpreter, essential EOIR staff and security personnel. *See* ICPM § 4.9(a)(ii) (citing 8 C.F.R. § 1003.27(b)).
2. Any attorney for a respondent may appear telephonically without prior approval and without filing a motion in advance. Attorneys should; however, contact the Kansas City Immigration Court at 816-581-5000, or through the temporary court email account at KansasCity.Immigration.Court@usdoj.gov, in advance of the hearing, by providing the A-number, time and date of the scheduled hearing, and the phone number at which counsel can be reached for the hearing.
3. Video conferencing will be utilized to the greatest extent possible, and any necessary witnesses will be allowed to appear by telephone. *See* ICPM § 4.7(b).
4. Limited exceptions may be accommodated to the above orders on a case-by-case basis and must be requested **prior** to the day of the hearing by written motion.
5. Any party that is displaying symptoms consistent with COVID-19 exposure, has been diagnosed with COVID-19, or has had contact with anyone who has been diagnosed with COVID-19, must notify the Court immediately by telephone or email, and will not be allowed to appear in Court.
6. 8. The Court will reject documents filed via the temporary court e-mail account if filed more than ninety (90) days before the next hearing date or a court-ordered deadline ("call-up date"), whichever is earlier. LASALLE IMMIGRATION COURT

**STANDING ORDER OF THE LASALLE IMMIGRATION COURT RELATING TO
PROCEDURES FOR MASTER CALENDAR HEARINGS, BOND HEARINGS AND
MERITS HEARINGS DUE TO COVID-19**

Effective immediately and until further notice from the Court, the LaSalle Immigration Court will impose the following procedures for Master Calendar Hearings and Individual (Merits) Hearings. This Order supersedes all previous Orders on the subject and sets out the specific procedures and instructions:

IT IS ORDERED that:

1. MASTER CALENDAR HEARINGS

- a) Any attorney representing any party may appear telephonically (for respondent) or via video teleconference (VTC) (for DHS) for Master Calendar Hearings and Bond Hearings before the LaSalle Immigration Court without prior approval and without filing a motion in advance. The Court will call counsel at the phone number located on their EOIR-28. Counsel must ensure the number on the EOIR-28 is the appropriate number where they can be reached for a telephonic hearing. This section does not apply to attorneys whose telephonic hearing privileges have been previously revoked by a LaSalle Immigration Judge. Counsel whose telephonic privileges have been revoked will need to appear in person for Master Calendar Hearings and Bond Hearings.
- b) Any attorney who wishes to appear telephonically for a Master Calendar Hearing or Bond Hearing (for respondent) or via VTC (for DHS) does so with the understanding that any paper or electronic filings to be considered by the Court must be in the official record of proceeding in accordance with any deadlines set by the Court or, if none, in accordance with the filing deadlines set forth in the Immigration Court Practice Manual. No additional filings will be accepted at the hearing if counsel does not appear in person, and the decision of the Court will be based on the documents in the record at the close of the hearing and no exceptions will be made.
- c) Any attorney appearing telephonically or via VTC waives the right to object to admissibility of any document offered in Court on the sole basis that they are unable to examine the document.
- d) If the Court is unable to reach counsel by telephone or VTC for the hearing due to counsel's unavailability, thereafter, counsel will be required to appear in-person at any rescheduled hearing. To ensure the quality of the record, anyone appearing by telephone or VTC shall be in a quiet, private location. With respect to telephonic hearings, the call may never be

placed on hold. The use of car phones, speakerphones, or phones in a public place is prohibited.

2. MERITS HEARINGS

- a) **Respondent's Appearance:** To the greatest extent possible, respondents will appear via VTC. However, when a quality VTC connection is not possible, respondents will appear in-person.
- b) **Attorney's Appearance:** Respondent's counsel and DHS counsel shall appear in-person for Merits Hearings. Respondent's counsel whose client is housed at a remote facility may appear with their client at the remote location via VTC with prior approval of the Immigration Judge.
- c) **Witnesses:** Parties are strongly encouraged to submit affidavits or written statements for witnesses. Parties may motion the Court for telephonic or in-person witness testimony, provided this form of testimony is deemed critical to the proceeding by the Immigration Judge.
- d) **Social Distancing:** The Court will require all parties to practice social distancing in the courtroom. **STANDING ORDER: ESTABLISHING SAFE PROCEDURES
DURING THE COVID-19 NATIONAL EMERGENCY**

This Order establishes filing requirements and courtroom procedures pursuant to Immigration and Nationality Act (INA) §240(b)(1)-(2) and 8 C.F.R. § 1003.10(b), 1003.21(b), 1003.31(c), 1003.40.

This Order is effective immediately and shall remain effective until it is rescinded by a superseding order of the Los Angeles (North) Immigration Court.

IT IS HEREBY ORDERED that, effective immediately and continuing until further order of the Court:

I. Appearances Before the Court

- A. No attorney, interpreter, witness, or member of the public who is subject to the restrictions articulated in Policy Memorandum 20-10, Immigration Court Practices During the Declared National Emergency Concerning the COVID-19 Outbreak (Mar. 19, 2020) (as amended), is subject to an isolation or quarantine order from a government health official or a medical provider, or has had physical contact with anyone within the past fourteen (14) days who was diagnosed with COVID-19 may appear in the Los Angeles (North) Immigration Court because the public interest requires that removal proceedings be closed to individuals likely to spread COVID-19. If an individual fails to comply with these reasonable limitations, the Court shall comply with guidance from federal, state, and county health authorities and continue the hearing.
- B. Any attorney or qualified representative for any party may appear telephonically in cases before the Los Angeles (North) Immigration Court, without prior approval and without filing a motion in advance. Attorneys or qualified representatives who would like to appear telephonically, either with or without respondent(s), for a particular case should contact the Los Angeles (North) Immigration Court, at 213-576-4701 at least two (2) days in advance of the hearing and should provide: the A-number, the time and date of the scheduled hearing, and the best phone number to be reached for the hearing.
- C. Any individual who wishes to appear telephonically does so with the understanding that any paper or electronic filings to be considered by the Court must be in the official record of proceeding in accordance with any deadlines set by the Court or, if none, in accordance with the filing deadlines set forth in the Immigration Court Practice Manual. No additional filings will be accepted at the hearing if counsel or

the qualified representative does not appear in person, and the decision of the Court will be based on the documents in the record at the close of the hearing.

- D. Any proceedings conducted in-person shall be limited to representatives who have filed a notice of appearance (Form EOIR-28), parties, witnesses, security officers, and any other necessary people, which will be determined by the presiding Immigration Judge, so long as no more than six (6) people are present in the courtroom. The court strongly encourages witnesses, family, and community members to provide telephonic testimony or submit letters or written declarations in lieu of appearing at hearings.

II. Filing of Applications, Briefs, Motions, and Evidence

- A. The filing of documents and evidence by U.S. Postal Service first class mail is strongly preferred and highly recommended.
- B. Motions to continue cases due to COVID-19 concerns should be filed with as much notice as possible, but may, on an *emergency* basis, be made to the Los Angeles (North) Immigration Court, by e-mail at:
LALosAngeles.Immigration.Court@USDOJ.GOV
- C. Opposing counsel must be served with any and all filings made with the Court, whether by email, the U.S. Postal Service, or overnight delivery service.
- D. **Three-Month Temporal Limit on Filings through Email:** Other than *emergency* filings, the Court is imposing a three-month temporal filing limit on documents filed through email. Effective immediately, the Court will reject documents filed via the temporary e-mail boxes if filed more than three months before the next hearing date or a court-ordered deadline (“call-up date”), whichever is earlier. Those wishing to file documents more than three months in advance may still do so; however, they must be sent to the court via the U.S. Postal Service or an overnight delivery service, not through the temporary e-mail box.
- E. **Applications for asylum (Form I-589) are exempt from the three-month temporal limit on filings through email, and will be considered filed on the date of receipt for purposes of the one-year filing deadline.**
- F. The subject of the email must contain the nature of the filing, the alien registration number, the date of the next hearing or any court-mandated deadline for the filing, and the initials of the Immigration Judge assigned to the case.

Example: A filer of a motion to continue with a case with alien registration number 012345678 and a hearing date of 06/30/2020 would input, "Motion to Continue - 012345678 - 06/30/2020" in the subject line of the email. If the filer knows the hearing is scheduled before Judge William A. Jones, the subject would be, "Motion to Continue - 012345678 - 06/30/2020 - WAJ"

- G. Effective immediately, for parties using the temporary email account to electronically file, supporting documentation/evidentiary filings are limited to fifty (50) pages in a particular case. If a party intends to file more than fifty (50) pages, the party must electronically file the Table of Contents and separately submit the supporting documentation/evidentiary filings with the original Table of Contents by using the U.S. mail or an overnight delivery service no later than the date set for filing the documents with the Immigration Court.

III. Motion to adjudicate applications without an evidentiary hearing

- A. A respondent may file a *Motion to Adjudicate Applications Without Evidentiary Hearing* with the Court. The Motion must be filed prior to any filing deadlines established by the Court to request that a written decision on the merits be issued based solely on the applications, declarations, and other evidence contained in the record of proceeding. The motion should indicate the position of the Department of Homeland Security, where practicable, and whether the respondent seeks voluntary departure under INA § 240B.
- B. The Department of Homeland Security shall have five (5) business days from the date of filing to respond or object, in writing, to the respondent's *Motion to Adjudicate Applications Without Evidentiary Hearing*.
- C. If the respondent has sworn to the contents of the application(s) under oath before an Immigration Judge, the court will issue a written decision, in appropriate circumstances, as soon as practicable. The Immigration Judge will automatically reserve the right to appeal to the Board of Immigration Appeals on behalf of both parties. If the respondent has not yet sworn to the contents of the application(s) for relief, the Court will schedule the respondent to appear for a master calendar hearing to swear to the contents of the application(s) for relief.
- D. The Court reserves the discretion to deny a *Motion to Adjudicate Applications Without Evidentiary Hearing* if it deems it necessary to examine the respondent or other witnesses, or for any other reason.

This order supersedes all prior Standing Orders of the Los Angeles (North) Immigration Court.

IT IS SO ORDERED.

The following Order regarding telephonic appearances is effective immediately for all scheduled hearings, both detained and non-detained, and shall remain in effect until further Order of the Court.

A. MASTER HEARINGS

1. All master calendar hearings for represented respondents will be conducted telephonically without the need for a motion for telephonic appearance to be filed in advance. A respondent is considered represented once counsel or an accredited representative files a Form EOIR-28 with the Court in accordance with 8 C.F.R. § 1292.4(a).
2. The Court hereby waives the presence of all represented respondents for master hearings in accordance with 8 C.F.R. § 1003.25(a).
3. For any master hearings on the Court's juvenile docket, the Court waives the presence of any respondent who is in the care and custody of the Office of Refugee Resettlement (ORR) or who has been approved for participation in the Unaccompanied Refugee Minor (URM) program.
4. Counsel or accredited representatives for respondents are strongly encouraged to file written pleadings at least fifteen (15) calendar days in advance of the telephonic master hearing. For an example of acceptable written pleadings, see the Immigration Court Practice Manual, Appendix L (April 10, 2020) at <https://www.justice.gov/eoir/page/file/1258536/download>.
5. Unless otherwise ordered by the individual Immigration Judge, all filings, including but not limited to applications, pretrial motions, briefs, and supplemental documents, must be filed at least fifteen (15) calendar days in advance of the telephonic master hearing. The Court will not accept any filings on the date of the telephonic master hearing. The parties are strongly encouraged to submit filings by way of U.S. mail, overnight delivery service, or e-mail, in accordance with the Court's *Standing Order Regarding Documents Filed Via Electronic Mail* at <https://www.justice.gov/eoir/page/file/1276676/download>.

B. MERITS HEARINGS

1. The individual Immigration Judge, in his or her discretion, and upon consent of the respondent, may conduct a telephonic merits hearing in accordance with 8 C.F.R. § 1003.25(c). For any merits hearing, a timely motion for telephonic appearance is required in advance of the hearing and must include a sworn affidavit or declaration from the respondent indicating that he or she has been advised of the right to proceed in person and waives that right. *See* 8 C.F.R. § 1003.25(c).
2. The parties are strongly encouraged to confer and reach stipulations as to facts and/or legal issues in advance of all hearings. *See* 8 C.F.R. § 1003.21; Immigration Court Practice Manual, Chap. 4.18; *Matter of Yewondwosen*, 21 I&N Dec. 1025 (BIA 1997).
3. Unless otherwise ordered by the individual Immigration Judge, all filings, including but not limited to applications, pretrial motions, briefs, and supplemental documents, must be filed at least fifteen (15) calendar days in advance of the telephonic merits hearing. The parties are strongly encouraged to submit filings by way of U.S. mail, overnight delivery service, or e-mail, in accordance with the Court's *Standing Order Regarding Documents Filed Via Electronic Mail*. No filings, other than rebuttal or impeachment evidence, will be accepted in Court on the date of the telephonic merits hearing. *See* Immigration Court Practice Manual, Chap. 3.1(b)(ii)(A).
4. Unless otherwise ordered by the individual Immigration Judge, the respondent must file any changes, corrections or amendments to all pending applications and/or to his or her declaration(s) at least fifteen (15) calendar days in advance of the telephonic merits hearing. The respondent is strongly encouraged to submit such filings by way of U.S. mail, overnight delivery service, or e-mail, in accordance with the Court's *Standing Order Regarding Documents Filed Via Electronic Mail*.
5. In cases where the parties have agreed to request that the Court issue a decision solely on the sworn application(s) and documentary evidence, the parties must file a **Joint or Unopposed Motion to Adjudicate Application Without Evidentiary Hearing on the Merits** in advance of any hearing. The **Joint or Unopposed Motion to Adjudicate Application Without Evidentiary Hearing on the Merits** must include at a minimum the following:
 - a. A sworn affidavit or declaration from the respondent indicating:
 - 1) that the respondent has been advised of the right to proceed in person and waives that right;
 - 2) that any application or request for relief on which the respondent is proceeding and/or affidavit or supporting declaration has been read to the respondent in a language the respondent speaks and understands;
 - 3) that any application or request for relief and all documentary evidence is true, correct and complete to the best of the respondent's knowledge; and

- 4) that any other pending relief applications are withdrawn or to be held in abeyance. *See* 8 C.F.R. § 1003.25(c).
- b. A statement from the parties regarding their respective positions on appeal;
- c. A statement from DHS counsel regarding the status of requisite identity, law enforcement, or security investigations or examinations, and, if completed, the applicable expiration date in accordance with 8 C.F.R. § 1003.47(a); and
- d. If the respondent is applying for voluntary departure under INA §§ 240B(a) or (b), his or her counsel or accredited representative must clearly indicate in the Motion that he or she has explained to the respondent the conditions that attach to voluntary departure as set forth in 8 C.F.R. § 1240.26 and *Matter of Gamero*, 25 I&N Dec. 164 (BIA 2010). The Motion must also include a sworn affidavit or declaration from the respondent that he or she understands the conditions that attach to voluntary departure, and that he or she accepts such conditions should voluntary departure be granted in the exercise of the Court's discretion. *See id.* For the purposes of post-conclusion voluntary departure during the period this Standing Order is in effect, the parties should assume the Court would set the minimum bond of \$500 and grant the maximum period of sixty (60) days to depart.

GENERAL PROVISIONS

1. To ensure the quality of the record, the parties appearing telephonically are strongly encouraged to be available by landline telephone in a quiet private location. Failure to respond when the case is called may result in the conclusion that counsel has failed to appear.
2. All parties appearing telephonically before the Court must further comply with the attached instructions for making telephonic appearances. *See* Appendix A.

An Immigration Judge may, in his or her discretion, halt any telephonic hearing, and the parties may be required to attend a future in-person hearing on a date to be determined. Further, nothing in this Standing Order should be interpreted to supplant an Immigration Judge's authority to manage his or her cases.

IT IS SO ORDERED.

To comply with directives from Federal, State, and County health officials and reduce the spread of COVID-19, it is hereby ordered that the following procedures shall be implemented immediately in the Memphis Immigration Court and shall remain effective until rescinded by a superseding order of the Memphis Immigration Court. This order is made pursuant to Immigration and Nationality Act § 240(b)(1)-(2) and 8 C.F.R. § 1003.10(b), 1003.21(b), 1003.25, 1003.29, 1003.31(c), 1003.40.

All parties should continue to monitor the EOIR website at <https://www.justice.gov/eoir> and/or EOIR's Twitter feed at: @DOJ_EOIR (https://twitter.com/doj_eoir?lang=en) for the latest information on court operating status.

INDIVIDUALS WITH COVID-19 SYMPTOMS OR POSITIVE COVID-19 TEST

Under no circumstances shall any individual experiencing symptoms consistent with COVID-19 infection enter the Court, including but not limited to the lobby, filing window, and courtrooms. This same restriction applies to any individuals who have tested positive for COVID-19, unless they have been affirmatively advised by an appropriate medical professional that they are no longer contagious. If any individual described in this paragraph is unable to attend an upcoming hearing at which his or her presence is required, he or she shall promptly notify the Court in writing to the Court's email filing mailbox at Memphis.Immigration.Court@usdoj.gov, or in an emergency, by telephone to the Court.

FILING OF MOTIONS, APPLICATIONS, BRIEFS, EVIDENCE, AND OTHER DOCUMENTS

Routine Filings: First class mail, express delivery services, or email sent in compliance with the guidelines posted at <https://www.justice.gov/eoir/filing-email> are strongly preferred over in-person submission of motions, applications, briefs, evidence, and any other documents. However, filings to the Court's email filing mailbox should not be made more than three (3) months in advance of any filing deadline or hearing date **unless it is an application for asylum and its filing is necessary to meet the one-year filing requirement of Section 208(a)(2)(B)**. Additionally, any submissions over fifty (50) pages must be made by means other than email.

Time-Sensitive Filings: All filing deadlines ordered by the Court remain in effect. Unless otherwise ordered by the Court, all filings are due in accordance with the deadlines established in the Immigration Court Practice Manual, Chapter 3.1(b). Untimely filings are subject to the consequences identified in the Immigration Court Practice Manual, Chapter 3.1(d).

Page Limit: For documents relating to country conditions or other reference materials, a maximum of 150 pages may be submitted. The relevance of each background/country condition document shall be set forth in the table of contents or by citation in the prehearing statement. A party wishing to submit more than 150 pages of such documentation must first establish good cause in a written motion that identifies the documents sought to be submitted, why they are believed to be necessary, and what they show that is not already established by any prior submissions. The U.S. Department of State's most recent Country Report on Human Rights Practices and Report on International Religious Freedom may be submitted, or made part of the record by motion, without counting against this page limit.

MASTER CALENDAR HEARINGS

In order to reduce the number of personal appearances for master calendar hearings, the following shall be submitted no later than five (5) business days prior to a scheduled master calendar hearing:

1. Written pleadings,¹ unless previously submitted; and
2. **Either:**
 - A) motion to vacate master and set for individual hearing² with the respondent's application(s) for relief, unless previously submitted; **or**
 - B) a motion to continue establishing good cause for continuing the case to another master calendar hearing; **or**
 - C) a request to appear in person or telephonically at the scheduled master calendar hearing that establishes the necessity for the hearing.

Notwithstanding the above, the Court may direct that the master calendar hearing proceed as scheduled.

INDIVIDUAL CALENDAR HEARINGS

Pursuant to 8 C.F.R. 1003.25(a), Counsel and respondent(s) may appear by telephone for good cause shown. A motion to appear telephonically must be submitted no later than fifteen (15) days in advance of the individual calendar hearing. The motion shall include a single landline telephone number at which both counsel and the respondent(s) may be reached. Motions must also include a written acknowledgement that the respondent(s) has been advised of his or her right to personally appear at the hearing per 8 C.F.R. §1003.25(c) and consents to appearing telephonically in lieu of a personal appearance. Any party appearing by telephone waives the right to object to any evidence presented at the individual hearing on the basis that he/she is unable to view such evidence.

Motions for witnesses to appear by telephone must also be submitted no later than fifteen (15) days in advance of the individual calendar hearing. Motions for telephonic witnesses shall include a summary of the witness's expected testimony that demonstrates its relevance, materiality, and its necessity.

Appearances are not required by minor respondents under the age of fourteen (14), or for respondent(s) whose appearance has previously been waived by the Immigration Judge.

In all individual calendar hearings wherein the respondent is represented and the relief sought includes asylum, withholding of removal, and/or protection under the Convention Against Torture, Counsel for the respondent shall submit proposed stipulated facts that form the basis for the claim of relief. The proposed stipulated facts shall delineate any particular social group(s), if applicable, and shall be filed with the Court and served on the Department of Homeland Security no later than thirty (30) days prior to the individual calendar hearing.

If agreed to by the parties, the Court may adopt the proposed stipulated facts in lieu of, or in addition to, the respondent's oral testimony and rely on such stipulated facts in reaching a decision.

¹ Separate, written pleadings are required for each respondent, and the written pleadings must be signed by the respondent (or guardian) and the respondent's representative. Immigration Court Practice Manual, Chapter 4.15(j)(April 10, 2020). Pleadings must comply with the requirements set forth in the Immigration Court Practice Manual, and representatives are strongly encouraged to submit written pleadings using the template provided at Attachment A.

² Representatives are strongly encouraged to submit motions to vacate using the template provided at Attachment B.

REQUESTS FOR TELEPHONIC PREHEARING CONFERENCES

Parties are reminded that telephonic prehearing conferences may be requested to narrow issues, obtain stipulations, exchange information, or otherwise simplify and organize the proceeding. 8 C.F.R. § 1003.21(a). Prehearing conferences may be initiated by the Immigration Judge or requested by a party, in writing, to resolve matters without the need for a hearing. If either party believes that a matter is appropriately resolved via a pretrial conference, that party shall confer with the opposing party and file an appropriate motion with the Court. The Court will then review the record and take action as appropriate.

Dated, this 1st day of May, 2020.

40) New Orleans: All immigration judges (2 orders, 4 pages)

UNITED STATES DEPARTMENT OF JUSTICE
EXECUTIVE OFFICE FOR IMMIGRATION REVIEW
NEW ORLEANS IMMIGRATION COURT
NEW ORLEANS, LOUISIANA

**STANDING ORDER OF THE NEW ORLEANS IMMIGRATION COURT
RELATING TO TEMPORAL AND PAGE LIMITS ON DOCUMENTS FILED VIA
EMAIL**

Effective immediately and until further notice, the New Orleans Immigration Court will impose certain limits on court filings submitted through the Court's temporary email account referenced. This Order sets out the specific limitations and instructions.

IT IS ORDERED that:

1. THREE-MONTH TEMPORAL LIMIT ON FILINGS THROUGH EMAIL

A three-month temporal limit will apply to all documents filed through email. The Court will reject documents filed via the temporary e-mail box if filed more than three months before the next hearing date or a court-ordered deadline ("call-up date"), whichever is earlier. Those wishing to file documents more than three months in advance may still do so; however, they must be sent to the Court via the U.S. Postal Service or overnight delivery service, not through the temporary e-mail box.

HEARING EXAMPLE: If documents are filed via the temporary e-filing mailbox on May 20, 2020, for a hearing scheduled on or before August 19, 2020, they will be accepted, provided they conform with the Immigration Court Practice Manual (ICPM) and the e-mail filing instructions. However, if documents are filed on May 20, 2020, for a hearing scheduled on or after August 20, 2020, they will be rejected.

CALL-UP DATE EXAMPLE: If documents are filed via the temporary e-filing mailbox on May 20, 2020, for a call-up date scheduled on or before August 19, 2020, they will be accepted provided they conform with the ICPM and the e-mail filing instructions. However, if documents are filed on May 20, 2020, for a call-up date scheduled on or after August 20, 2020, they will be rejected.

Documents rejected for not complying with the three-month temporal limit on filing may be filed by mail or through an overnight delivery service. Notwithstanding the three-month temporal limit on filings through email, parties are required to comply with all deadlines for filings, as specified in the ICPM, Ch. 3.1(b).

Applications for asylum are exempt from the three-month temporal limit on filings through email and will be considered filed on the date of receipt for purposes of the one-year filing deadline.

2. EMAIL FORMAT

The subject of each email must contain the nature of the filing, the alien registration number, the date of the next hearing or any court-mandated deadline for the filing, and the initials of the immigration judge assigned to the case.

EXAMPLE: A filer of a motion to continue with a case with alien registration number 012345678 and a hearing date of 06/30/2020 would enter the following in the subject line of the email: "*Motion to Continue - A012 345 678 - 06/30/2020*"

If the filer knows the hearing is scheduled before Judge William A. Jones, the subject line would be: "*Motion to Continue - A012 345 678 - 06/30/2020 - WAJ*"

EXAMPLE: A filer of an application for cancellation of removal with a case with alien registration number 012345678 and a hearing date on 01/02/2021 but a court-mandated filing deadline ("call-up date") of 06/25/2020 would enter the following in the subject line of the email: "*Application for Cancellation of Removal - A012 345 678 - 06/25/2020*"

If the filer knows the hearing is scheduled before Judge William A. Jones, the subject would be: "*Application for Cancellation of Removal - A012 345 678 - 06/25/2020 - WAJ*"

3. PAGE LIMIT

For parties using the Court's temporary email account to file electronically, supporting documentation/evidentiary filings are limited to **fifty (50) pages** in a particular case. If a party intends to file more than fifty (50) pages, the party must electronically file the Table of Contents and separately submit the supporting documentation/evidentiary filings with the original Table of Contents by using the U.S. mail or an overnight delivery service no later than the date set for filing the documents with the Court. Hard copy submissions will be deemed filed on the date of receipt by the Court, as specified in the ICPM, Ch. 3.1(a)(iii).

This Order supersedes the general electronic filing instructions presently posted online.

SIGNED, ENTERED, AND ORDERED at New Orleans, Louisiana, this 11th day of May, 2020.

INTERIM STANDING ORDER OF THE NEW ORLEANS IMMIGRATION COURT
RELATING TO MASTER CALENDAR HEARINGS AND MERITS HEARINGS
DUE TO COVID-19

Effective immediately and until further notice, the New Orleans Immigration Court will impose certain procedures for Individual (Merits) Hearings. This Order sets out the specific procedures and instructions.

IT IS ORDERED that:

1. **MASTER CALENDAR HEARINGS**

Master Calendar Hearings are postponed until further notice. Parties are encouraged to check the Executive Office for Immigration Review (EOIR) website periodically for operational status updates.

2. **MERITS HEARINGS**

- a) **Respondent's Appearance**: All Respondents that will testify shall appear in person for Individual (Merits) Hearings. The presence of all other Respondents are hereby waived and they are encouraged not to appear. In their discretion, an Immigration Judge may, in exceptional circumstances, grant a motion for a Respondent to testify telephonically, but such motions are strongly disfavored.
- b) **Attorney's Appearance**: Any attorney who would like to request to appear telephonically for an Individual (Merits) Hearing must file a motion for telephonic hearing demonstrating good cause. See 8 C.F.R. §1003.25(c). Respondent's counsel will be called on the phone number located on their EOIR-28. DHS counsel must provide a telephone number in the motion where counsel may be reached for the hearing. Counsel must ensure that the appropriate number where they can be reached for a telephonic hearing is provided.
- c) **Social Distancing**: The Court will require all parties to practice social distancing in the courtroom. There will be designated seats for each individual that appears and only a limited number of people will be allowed in the courtroom. In-person appearances in the courtroom shall be limited to the following individuals: respondents, attorneys, interpreters, and other individuals determined to be essential by the Immigration Judge.
- d) **Witnesses**: Parties are encouraged to submit affidavits or written statements for non-Respondent witnesses. In-person testimony for these individuals will not be permitted at

this time and their presence will not be authorized in the courtroom. Telephonic testimony by all non-Respondent witnesses is hereby granted without need of a motion.

- e) Any attorney who requests to appear telephonically for an Individual (Merits) Hearing does so with the understanding that any paper or electronic filings to be considered by the Court must be in the official record of proceeding in accordance with any deadlines set by the Court or, if none, in accordance with the filing deadlines set forth in the Immigration Court Practice Manual. No additional filings will be accepted at the hearing unless the Immigration Judge allows such filing as a matter of discretion. Otherwise, the decision of the Court will be based on the documents in the record at the close of the hearing and no exceptions will be made.
- f) Any attorney appearing telephonically waives the right to object to admissibility of any document offered in Court on the sole basis that they are unable to examine the document.
- g) If the Court is unable to reach counsel by telephone for the Individual (Merits) Hearing, counsel will thereafter be required to appear in-person at any rescheduled hearing. To ensure the quality of the record, anyone appearing by telephone shall be in a quiet, private location. The call may never be placed on hold. The use of car phones, speaker phones or phones in public places is prohibited.

3. INDIVIDUALS WITH COVID-19 SYMPTOMS OR POSITIVE COVID-19 TEST

Under no circumstances shall any individual experiencing symptoms consistent with COVID-19 infection enter the Court, including but not limited to the lobby, filing window, and courtrooms. Please see the COVID-19 symptoms on the CDC website: <https://www.cdc.gov/coronavirus/2019-ncov/about/symptoms.html>. This same restriction applies to any individuals who have tested positive for COVID-19, unless they have been affirmatively advised by an appropriate medical professional that they are no longer contagious. If any individual described in this section is unable to attend an upcoming hearing at which his or her presence is required, then that person shall promptly notify the Court in writing and file it with the Court via mail. In case of an emergency, the individual may call the Court's main number (504-589-3992) to provide notification of the illness, but must follow up thereafter by filing a written notification with the Court.

NEW YORK BROADWAY IMMIGRATION COURT**

STANDING ORDER REGARDING TELEPHONIC APPEARANCES

Due to the COVID-19 pandemic and in the interest of public health and safety, the New York Broadway Immigration Court hereby issues the following Standing Order Regarding Telephonic Appearances. This order is effective immediately for all scheduled hearings, and shall remain in effect until further order of the Court.

A. MASTER CALENDAR HEARINGS

1. All master calendar hearings for represented respondents will be conducted telephonically without the need for a motion for telephonic appearance to be filed in advance. A respondent is considered represented once counsel or an accredited representative files a Form EOIR-28 with the Court in accordance with 8 C.F.R. § 1292.4(a).
2. The Court hereby waives the presence of all represented respondents for master calendar hearings in accordance with 8 C.F.R. § 1003.25(a).
3. Counsel or accredited representatives for respondents are strongly encouraged to file written pleadings at least fifteen (15) calendar days in advance of the telephonic master calendar hearing. For an example of acceptable written pleadings, see the Immigration Court Practice Manual, Appendix L (April 10, 2020) at <https://www.justice.gov/eoir/page/file/1258536/download>.
4. Unless otherwise ordered by the individual Immigration Judge, all filings, including but not limited to applications, pretrial motions, briefs, and supplemental documents, must be filed at least fifteen (15) calendar days in advance of the telephonic master calendar hearing. The Court will not accept any filings on the date of the telephonic master calendar hearing. The parties are strongly encouraged to submit filings by way of U.S. mail, overnight delivery service, or e-mail to NYBroadway.Immigration.Court@USDOJ.GOV (email filings at this address will no longer be accepted 60 days after the court has resumed hearing non-detained cases).

B. MERITS HEARINGS

1. The Immigration Judge, in his or her discretion, and upon consent of the respondent, may conduct a telephonic merits hearing in accordance with 8 C.F.R. § 1003.25(c). For any merits hearing, a timely motion for telephonic appearance is required in advance of the hearing and must include a sworn

affidavit or declaration from the respondent indicating that he or she has been advised of the right to proceed in person and waives that right. *See* 8 C.F.R. § 1003.25(c).

2. Parties are encouraged to resolve cases through written pleadings, stipulations, and joint motions. Such actions may resolve some types of cases without a hearing. Joint or stipulated requests for the disposition of a pending case—e.g. requests for a stipulated order of removal, a stipulated order of voluntary departure, or a stipulated order granting protection or relief from removal or joint motions to terminate or dismiss proceedings—are encouraged, and will be adjudicated expeditiously by the Immigration Judge.
3. If eligibility for relief is contested, the parties may jointly agree to request that the Court conduct an abbreviated hearing and issue a decision based solely on the sworn application(s) and documentary evidence, consistent with *Matter of Fefe*, 20 I & N Dec. 116 (BIA 1989). If the parties reach such an agreement, they are encouraged to file a Joint or Unopposed Motion to Adjudicate Application Without Testimony, in advance of any hearing. Such motion must include all required stipulations. If no such agreement is reached in advance of the hearing, the parties may make an oral motion at the outset of the hearing.
4. Unless otherwise ordered by the individual Immigration Judge, all filings, including but not limited to applications, pretrial motions, briefs, and supplemental documents, must be filed at least thirty (30) calendar days in advance of the telephonic merits hearing. The parties are strongly encouraged to submit filings by way of U.S. mail, overnight delivery service, or e-mail to NYBroadway.Immigration.Court@USDOJ.GOV (email filings at this address will no longer be accepted 60 days after the court has resumed hearing non-detained cases). No filings, other than rebuttal or impeachment evidence, will be accepted in Court on the date of the telephonic merits hearing. *See* Immigration Court Practice Manual, Chap. 3.1(b)(ii)(A).
5. Unless otherwise ordered by the individual Immigration Judge, the respondent must file any changes, corrections or amendments to all pending applications and/or to his or her declaration(s) at least thirty (30) calendar days in advance of the telephonic merits hearing. The respondent is strongly encouraged to submit such filings by way of U.S. mail, overnight delivery service, or e-mail to NYBroadway.Immigration.Court@USDOJ.GOV (email filings at this address will no longer be accepted 60 days after the court has resumed hearing non-detained cases).

C. GENERAL PROVISIONS

1. To ensure the quality of the record, the parties appearing telephonically are strongly encouraged to be available by landline telephone in a quiet private location. Failure to respond when the case is called may result in the conclusion

that counsel has failed to appear.

2. All parties appearing telephonically before the Court must further comply with the attached instructions for making telephonic appearances. *See* Appendix A.

An Immigration Judge may, in his or her discretion, halt any telephonic hearing, and the parties may be required to attend a future in-person hearing on a date to be determined. Further, nothing in this Standing Order should be interpreted to supplant an Immigration Judge's authority to manage his or her cases.

IT IS SO ORDERED.

UNITED STATES DEPARTMENT OF JUSTICE
EXECUTIVE OFFICE FOR IMMIGRATION REVIEW
UNITED STATES IMMIGRATION COURT
26 FEDERAL PLAZA
NEW YORK, NEW YORK

STANDING ORDER:

Effective immediately, the New York Immigration Court (NYC) is imposing a three-month temporal filing limit on electronically filed documents. NYC will reject electronically filed documents via the temporary e-mail boxes if filed more than three months before the next hearing date or a court-ordered deadline (“call-up date”), whichever is earlier. The Court further requests that parties consider limiting filings to those that are emergencies and time-sensitive. For parties using the temporary email account to electronically file, supporting documentation/evidentiary filings are limited to fifty (50) pages in a particular filing. If a party intends to file more than fifty (50) pages, the party must electronically file the Table of Contents and separately submit the supporting documentation/evidentiary filings with the original Table of Contents by using the U.S. Postal Service, or an overnight delivery service no later than the date set for filing the documents with the immigration court.

Paper filing is discouraged and electronic filing is **strongly encouraged** during this period. Those wishing to make paper submissions more than three months in advance may still do so; however, they must be sent to the court via the U.S. Postal Service, or an overnight delivery service, not through the temporary e-mail box, and the Court would recommend that such filings not be in person. Notwithstanding the three-month temporal limit on filings through email, parties are required to comply with all deadlines for filings, as specified in the ICPM, ch. 3.1(b).

The parties should also submit affidavits or written statements of witnesses in lieu of the witnesses appearing in court. The parties are encouraged to confer and reach stipulations as to facts and/or legal issues (*e.g.*, 10 years of continuous physical presence) to facilitate the prompt disposition of cases. *See, generally, Matter of E-F-H-L-*, 26 I&N Dec. 319, 322 fn.3 (BIA 2014); *vacated on other grounds*, 27 I&N Dec. 226 (A.G. 2018). *Matter of Fefe*, 20 I&N Dec. 116, 118 (BIA 1989). Nothing in this Standing Order should be construed as interfering with any ethical responsibilities of any attorney or accredited representative to confer with his or her client. Nothing in this Standing Order should be interpreted to supplant the individual Immigration Judge’s (IJ) authority to manage his or her cases.

Email Subject Line for Electronic Filings: The subject of your email and the name of the attached file must contain the nature of the filing, the alien registration number, the date of the next hearing, the initials of the IJ assigned to the case and the respondent’s detention status. For example, a motion to continue filed in a case with alien registration number 012345678 and a hearing date on 06/18/2020 before IJ XYZ would input, “Motion to Continue - 012345678 - 06/18/2020-Judge XYZ- non-detained” in the subject line of the email. If the filer does not know which IJ is assigned to their case, please include the phrase “IJ Unknown” in the subject line of the email. If the IJ assigned does not appear in the list, use the full last name. The Immigration Judges’ initials are attached to this Order as *Appendix A*.

Note: Applications for asylum are exempt from the three-month temporal limit on electronic filings and will be considered filed on the date of receipt for purposes of the one-year filing deadline. Additionally, if a party has a hearing date that is scheduled after the three-month deadline and wishes to file a substantive motion, related to the merits of their claim, such motions may still be filed.

This order supersedes any general electronic filing instructions presently posted online and shall remain in effect until rescinded by the Court.

STANDING ORDER REGARDING TELEPHONIC APPEARANCES
FOR MASTER AND MERITS HEARING

Due to the COVID-19 pandemic and in the interest of public health and safety, the Newark Immigration Court hereby issues the following standing Order regarding telephonic appearances for master and merits hearings. The following Order regarding telephonic appearances is effective immediately for all scheduled hearings, and shall remain in effect until further Order of the Court.

A. MASTER HEARINGS

1. All master calendar hearings for represented respondents will be conducted telephonically without the need for a motion for telephonic appearance to be filed in advance. A respondent is considered represented once counsel or an accredited representative files a Form EOIR-28 with the Court before the date of the scheduled hearing, in accordance with 8 C.F.R. § 1292.4(a).
2. The Court hereby waives the presence of all represented respondents for master hearings in accordance with 8 C.F.R. § 1003.25(a).
3. For any master hearings on the Court's juvenile docket, the Court waives the presence of any respondent who is in the care and custody of the Office of Refugee Resettlement (ORR) or who has been approved for participation in the Unaccompanied Refugee Minor (URM) program.
4. Counsel or accredited representatives for respondents are to file written pleadings at least fifteen (15) calendar days in advance of the telephonic master hearing. For an example of acceptable written pleadings, see the Immigration Court Practice Manual, Appendix L (April 10, 2020)
5. Unless otherwise ordered by the individual Immigration Judge, all filings, including but not limited to applications, pretrial motions, briefs, and supplemental documents, must be filed at least fifteen (15) calendar days in advance of the telephonic master hearing. The Court will not accept any filings on the date of the telephonic master hearing. The parties are strongly encouraged to submit filings by way of U.S. mail, overnight delivery service, or e-mail, in accordance with the Court's *Standing Order Regarding Documents Filed Via Electronic Mail*.

B. MERITS HEARINGS

1. The individual Immigration Judge, in his or her discretion, and upon consent of the respondent, may conduct a telephonic merits hearing in accordance with 8 C.F.R. § 1003.25(c). For any merits hearing, a timely motion for telephonic appearance is required in advance of the hearing and must include a sworn affidavit or declaration from the respondent indicating that he or she has been advised of the right to proceed in person and waives that right. *See* 8 C.F.R. § 1003.25(c).
2. The parties are strongly encouraged to confer and reach stipulations as to facts and/or legal issues in advance of all hearings. *See* 8 C.F.R. § 1003.21; Immigration Court Practice Manual, Chap. 4.18; *Matter of Yewondwosen*, 21 I&N Dec. 1025 (BIA 1997).
3. Any party who wishes to appear telephonically does so with the understanding that any paper filings to be considered by the Court must be in the official Record of Proceedings (ROP) at the time the hearing is scheduled to be held. No additional filings will be accepted at the hearing if counsel does not appear in person, and the decision of the Court will be based on the documents in the ROP at the close of the hearing.
4. Unless otherwise ordered by the individual Immigration Judge, all filings, including but not limited to applications, pretrial motions, briefs, and supplemental documents, must be filed at least fifteen (15) calendar days in advance of the telephonic merits hearing. The parties are strongly encouraged to submit filings by way of U.S. mail, overnight delivery service, or e-mail, in accordance with the Court's *Standing Order Regarding Documents Filed Via Electronic Mail*.
5. Unless otherwise ordered by the individual Immigration Judge, the respondent must file any changes, corrections or amendments to all pending applications and/or to his or her declaration(s) at least fifteen (15) calendar days in advance of the telephonic merits hearing. The respondent is strongly encouraged to submit such filings by way of U.S. mail, overnight delivery service, or e-mail, in accordance with the Court's *Standing Order Regarding Documents Filed Via Electronic Mail*.
6. Any party appearing telephonically waives the right to object to the admissibility of any documents offered in Court on the sole basis that they are unable to examine the document.
7. In cases where the parties have agreed to request that the Court issue a decision solely on the sworn application(s) and documentary evidence, the parties must file a **Joint or Unopposed Motion to Adjudicate Application Without Evidentiary Hearing on the Merits**. The **Joint or Unopposed Motion to Adjudicate Application Without Evidentiary Hearing on the Merits** must include at a minimum the following:

- a. A sworn affidavit or declaration from the respondent indicating:
 - 1) that the respondent has been advised of the right to proceed in person and waives that right;
 - 2) that any application or request for relief on which the respondent is proceeding and/or affidavit or supporting declaration has been read to the respondent in a language the respondent speaks and understands;
 - 3) that any application or request for relief and all documentary evidence is true, correct and complete to the best of the respondent's knowledge; and
 - 4) that any other pending relief applications are withdrawn. *See* 8 C.F.R. § 1003.25(c).
- b. A statement from the parties regarding their respective positions on appeal;
- c. A statement from DHS counsel regarding the status of requisite identity, law enforcement, or security investigations or examinations, and, if completed, the applicable expiration date in accordance with 8 C.F.R. § 1003.47(a); and
- d. If the respondent is applying for voluntary departure under INA §§ 240B(a) or (b), his or her counsel or accredited representative must clearly indicate in the Motion that he or she has explained to the respondent the conditions that attach to voluntary departure as set forth in 8 C.F.R. § 1240.26 and *Matter of Gamero*, 25 I&N Dec. 164 (BIA 2010). The Motion must also include a sworn affidavit or declaration from the respondent that he or she understands the conditions that attach to voluntary departure, and that he or she accepts such conditions should voluntary departure be granted in the exercise of the Court's decision. *See id.* For the purposes of post-conclusion voluntary departure during the period this Standing Order is in effect, the parties should assume the Court would set the minimum bond of \$500.00 and grant the maximum period of sixty (60) days to depart.

GENERAL PROVISIONS

1. Attorneys are encouraged to be succinct and to file only such documents that are relevant and probative. Attorneys are also encouraged to limit the filing of duplicative country condition reports and to file only such reports that are necessary and reasonable.
2. To ensure the quality of the record, the parties appearing telephonically shall be in a quiet private location. The call may never be placed on hold. The use of cellular phones or phones in public places are prohibited. Failure to respond when the case is called may result in the conclusion that counsel has failed to appear.

3. If the Court is unable to reach Counsel by telephone for the hearing, or counsel fails to respond when the matter is called, the Court may treat the failure to respond as failure to appear by counsel or accredited representative. Counsel or accredited representative will thereafter be required to appear in person at any rescheduled hearing. Scheduling simultaneous appearances in multiple locations does not excuse a failure to appear.

4. All parties appearing telephonically before the Court must further comply with the attached instructions for making telephonic appearances. *See* Appendix A.

An Immigration Judge may, in his or her discretion, halt any telephonic hearing, and the parties may be required to attend a future in-person hearing on a date to be determined. Further, nothing in this Standing Order should be interpreted to supplant an Immigration Judge's authority to manage his or her cases.

IT IS SO ORDERED.

STANDING ORDER OF THE IMMIGRATION JUDGE: IMPEACHMENT EVIDENCE

Effective April 10, 2020, the Department of Homeland Security (DHS) is hereby ordered to file with the Court and to serve upon the Respondent any impeachment evidence it wishes to submit in the Respondent's case at least 10 days prior to the Respondent's individual merits hearing.

"Impeachment evidence" includes copies of any documents or records in the possession of DHS that may be used in the Respondent's case in order to impeach the Respondent's testimony, including, but not limited to, the following: (1) any record of statements attributed to the Respondent; (2) the Respondent's Form I-213, Record of Deportable/Inadmissible Alien; (3) the Respondent's Record of Sworn Statement; (4) the Respondent's Record of Determination/Credible Fear Interview; (5) the Respondent's passport or other identification documents; (6) any record of prior visa application by the Respondent; and (7) any document related to the Respondent's criminal history.

The Court has authority to exercise "independent judgment and discretion and may take any action consistent with [its] authorities under the Act and regulations that is appropriate and necessary for the disposition of cases." 8 C.F.R. § 1003.10(b). The Court has authority to set time limits for filing documents. 8 C.F.R. § 1003.31(c); *see also* Immigration Court Practice Manual Chapter 3.1(b)(i)(B) & (b)(ii)(B). The Court notes that the Respondent is "entitled to the production of his visa or other entry document, if any, and of any other documents and records ... pertaining to such entry in the custody of the Service." INA § 291. The Court recognizes that the

Respondent is entitled to have "a reasonable opportunity to examine the evidence against the alien." INA § 240(b)(4)(B); 8 C.F.R. § 1534(c)(3). The Court finds that filing impeachment evidence with the Court and serving this evidence upon the respondent at least 10 days prior to the Respondent's individual merits hearing is necessary to ensure a fundamentally fair and orderly hearing. *Mukhia v. Holder*, 506 F. App'x 824, 828 (10th Cir. 2013); *Osei v. INS*, 305 F.3d 1205, 1208 (10th Cir. 2002).

If impeachment evidence is not filed within the time set by the Court, the opportunity to file that evidence shall be deemed waived. 8 C.F.R. § 1003.31(c).

This Order supersedes any contrary instruction or policy, including the Immigration Court Practice Manual. See 8 C.F.R. § 1003.10(b).

WHEREFORE, IT IS HEREBY ORDERED that all impeachment evidence shall be filed with the Court and served upon the Respondent no later than 10 days prior to the Respondent's individual merits hearing.

13 The Pearsall Immigration Court is imposing a one-month chronological filing limit on
14 documents filed through email at: Pearsall.Immigration.Court@USDOJ.GOV Effective
15 immediately, the Court will reject documents filed via the temporary e-mail box if filed more
16 than 30 days before the next hearing date or a court-ordered deadline (“call-up date”), whichever
17 is earlier. Those wishing to file documents more than 30 days in advance may still do so;
18 however, they must be delivered to the court via the U.S. Mail or a delivery service, and may not
19 be filed through the temporary e-mail box. Those documents delivered through the temporary e-
20 mail box that do not comply with the timeframes set forth herein will be rejected and regarded as
21 not filed.

22
23 HEARING EXAMPLE: If documents are filed via the temporary e-filing mailbox on April
24 23, 2020, for a hearing scheduled on or before May 26, 2020, they will be accepted provided
25 they conform to the Immigration Court Practice Manual (ICPM) and the e-mail filing

27 after May 27, 2020, they will be rejected and regarded as not filed.

28
29 CALL-UP DATE EXAMPLE: If documents are filed via the temporarily e-filing mailbox on

**STANDING ORDER OF THE PHILADELPHIA IMMIGRATION COURT
RELATING TO TELEPHONIC APPEARANCES AT HEARINGS**

Due to the COVID-19 pandemic and in the interest of public health and safety, the Philadelphia Immigration Court hereby issues the following Standing Order regarding telephonic appearances.

This Order regarding telephonic appearances is effective immediately for all scheduled hearings, both detained and non-detained, and shall remain in effect until further Order of the Court.

This Order supersedes the Court's *Standing Order Relating to Telephonic Appearances at Hearings* issued June 11, 2020.

A. INDIVIDUAL CALENDAR (MERITS) HEARINGS

1. The individual Immigration Judge, in his or her discretion and upon consent of the respondent, may conduct a telephonic merits hearing in accordance with 8 C.F.R. § 1003.25(c). For any merits hearing, a timely motion for telephonic appearance is required in advance of the hearing and must include a sworn affidavit or declaration from the respondent indicating that he or she has been advised of the right to proceed in person and waives that right. *See* 8 C.F.R. § 1003.25(c).
2. The parties are strongly encouraged to confer and reach stipulations as to facts and/or legal issues in advance of all hearings. *See* 8 C.F.R. § 1003.21; Immigration Court Practice Manual, Chap. 4.18; *Matter of Yewondwosen*, 21 I&N Dec. 1025 (BIA 1997).
3. Unless otherwise ordered by the individual Immigration Judge, all filings, including but not limited to applications, pretrial motions, briefs, and supplemental documents, must be filed at least fifteen (15) calendar days in advance of the telephonic merits hearing. The parties are strongly encouraged to submit filings by way of U.S. mail, overnight delivery service, or e-mail, in accordance with the Court's *Standing Order Regarding Documents Filed Via Electronic Mail*. The acceptance of e-mail filings is subject to the Court maintaining an active electronic filing e-mail account, which is planned to continue for sixty (60) days following the Court's reopening on July 6, 2020. *See* Exec. Office for Immigration Review, PM 20-13 at 4, *Updating Practices Related to the COVID-19 Outbreak* (June 11, 2020), available at <https://www.justice.gov/eoir/policy-memoranda>. No filings, other than rebuttal or impeachment evidence, will be accepted in Court on the date of the telephonic merits hearing. *See* Immigration Court Practice Manual, Chap. 3.1(b)(ii)(A).
4. Unless otherwise ordered by the individual Immigration Judge, the respondent must file any changes, corrections or amendments to all pending applications and/or to his or her declaration(s) at least fifteen (15) calendar days in advance of the telephonic merits

hearing. The respondent is strongly encouraged to submit such filings by way of U.S. mail, overnight delivery service, or e-mail, in accordance with the Court's *Standing Order Regarding Documents Filed Via Electronic Mail*. The acceptance of e-mail filings is subject to the Court maintaining an active electronic filing e-mail account, which is planned to continue for sixty days (60) following the Court's reopening on July 6, 2020. *See* Exec. Office for Immigration Review, PM 20-13 at 4.

5. In cases where the parties have agreed to request that the Court issue a decision solely on the sworn application(s) and documentary evidence, the parties must file a **Joint or Unopposed Motion to Adjudicate Application Without Evidentiary Hearing on the Merits** in advance of any hearing. The **Joint or Unopposed Motion to Adjudicate Application Without Evidentiary Hearing on the Merits** must include at a minimum the following:
 - a. A sworn affidavit or declaration from the Respondent indicating:
 - 1) that the respondent has been advised of the right to proceed in person and waives that right;
 - 2) that any application or request for relief on which the respondent is proceeding and/or that any affidavit or supporting declaration has been read to the respondent in a language that the respondent speaks and understands;
 - 3) that any application or request for relief and all documentary evidence is true, correct, and complete to the best of the respondent's knowledge; and
 - 4) that any other pending relief applications are withdrawn or to be held in abeyance. *See* 8 C.F.R. § 1003.25(c).
 - b. A statement from the parties regarding their respective positions on appeal;
 - c. A statement from DHS counsel regarding the status of requisite identity, law enforcement, or security investigations or examinations, and, if completed, the applicable expiration date in accordance with 8 C.F.R. § 1003.47(a); and
 - d. If the Respondent is applying for voluntary departure under INA §§ 240B(a) or (b), his or her counsel or accredited representative must clearly indicate in the Motion that he or she has explained to the respondent the conditions that attach to voluntary departure as set forth in 8 C.F.R. § 1240.26 and *Matter of Gamero*, 25 I&N Dec. 164 (BIA 2010). The Motion must also include a sworn affidavit or declaration from the respondent that he or she accepts such conditions that attach to voluntary departure, and that he or she accepts such conditions should voluntary departure be granted in the exercise of the Court's discretion. *See id.* For the purposes of post-conclusion voluntary

departure during the period this Standing Order is in effect, the parties should assume the Court would set the minimum bond of \$500 and grant the maximum period of sixty (60) days to depart.

B. MASTER CALENDAR HEARINGS

1. All master calendar hearings for represented respondents will be conducted telephonically without the need for a motion for telephonic appearance to be filed in advance. A respondent is considered represented once counsel or an accredited representative files a Form EOIR-28 with the Court in accordance with 8 C.F.R. § 1292.4(a).
2. The Court hereby waives the presence of all represented respondents for master hearings in accordance with 8 C.F.R. § 1003.25(a).
3. For any master hearing on the Court's juvenile docket, the Court waives the presence of any respondent who is in the care and custody of the Office of Refugee Resettlement (ORR) or who has been approved for participation in the Unaccompanied Refugee Minor (URM) program.
4. Counsel or accredited representatives for respondents are strongly encouraged to file written pleadings at least fifteen (15) calendar days in advance of the telephonic master hearing. For an example of acceptable written pleadings, see the Immigration Court Practice Manual, Appendix L (April 10, 2020) at <https://www.justice.gov/eoir/page/file/1258536/download>.
5. Unless otherwise ordered by the individual Immigration Judge, all filings, including but not limited to applications, pretrial motions, briefs, and supplemental documents, must be filed at least fifteen (15) calendar days in advance of the telephonic master hearing. The Court will not accept any filings on the date of the telephonic master hearing. The parties are strongly encouraged to submit filings by way of U.S. mail, overnight delivery service, or e-mail, in accordance with the Court's *Standing Order Regarding Documents Filed Via Electronic Mail*. The acceptance of e-mail filings is subject to the Court maintaining an active electronic filing e-mail account, which is planned to continue for sixty days (60) following the Court's reopening on July 6, 2020. See Exec. Office for Immigration Review, PM 20-13 at 4.

GENERAL PROVISIONS

1. To ensure the quality of the record, the parties appearing telephonically are strongly encouraged to be available by landline telephone in a quiet private location. If a cellular telephone is used the party must be in a quiet private location, and if the call is "dropped" the Court will have the discretion to deem the hearing concluded for the day or take other remedial action within the Court's discretion. Failure to respond when the case is called may result in the conclusion that counsel has failed to appear.

2. All parties appearing telephonically before the Court must further comply with the attached instructions for making telephonic appearances. *See* Appendix A.

An Immigration Judge may, in his or her discretion, halt any telephonic hearing, and the parties may be required to attend a future in-person hearing on a date to be determined. Further, nothing in this Standing Order should be interpreted to supplant an Immigration Judge's authority to manage his or her cases.

IT IS SO ORDERED.

The Executive Office for Immigration Review has established a temporary email account to facilitate electronic filings for all parties during the COVID-19 Pandemic. The email address for the Port Isabel Immigration Court is PortIsabelImmigrationCourt@usdoj.gov. The instructions for using this email account are incorporated in this Standing Order and are attached. Private attorneys must submit their request from an e-mail address that is on file with EOIR. DHS filings must be sent from a government email address. Do not send any Court filings or correspondence directly to the government e-mail accounts of Court staff, unless specifically directed to do so, as these filings and correspondence may not be accepted by the Court. The following instructions are incorporated in the Port Isabel Immigration Court COVID-19 Standing Order:

The Executive Office for Immigration Review (EOIR) has established temporary email accounts for immigration courts nationwide to facilitate electronic filing for all parties while the rollout of the EOIR Court and Appeals System (ECAS) is delayed due to COVID-19. Those who have already opted-in to ECAS should continue to use ECAS where it is available. Others who wish to utilize electronic filing may file through email as instructed below. Please note EOIR cannot provide technical support or confirm receipt of filings at this time. If you have questions, please contact the EOIR Office of Policy, Communications and Legislative Affairs Division at PAO.EOIR@usdoj.gov.

All filers:

- Failure to follow the guidelines listed below may result in the rejection of your submitted document filing. If your submission is rejected, you will be notified by email with a request to correct the issue and refile the document.
- The subject of your email must contain the nature of the filing, the alien registration number, the date of the next hearing, and the initials of the immigration judge assigned to the case.

Example: A filer of a motion to continue with a case with alien registration number 012345678 and a hearing date on 01/02/2021 would input, "Motion to Continue - 012345678 - 01/02/2021" in the subject line of the email. If the filer knows the hearing is scheduled before Judge William A. Jones, the subject would be, "Motion to Continue - 012345678 - 01/02/2021 - WAJ"

- While multiple documents for the same case may be submitted in one email, do not combine separate submissions into one file. Each document type must be submitted separately and include the type of filing in the file name.
- You remain responsible for service on the opposing party.
- Submit certificate of service with every filing in the same email.
- All electronically-filed documents must meet the requirements of filings outlined in the Immigration Court Practice Manual. Further, an electronically filed document cannot be larger than 25 megabytes (MB). For submissions that would be larger than 25 MB, please follow the below steps:
 - split the document into multiple files so no portion is larger than 25 MB;
 - name each document so that it is clear they should be matched with the other portions.
Example: 5678_1234ABC_Brief_Part1; 5678_1234ABC_Brief_Part2
- Files must be a minimum resolution of 300dpi.
- File formats accepted are PDF and JPEG. We cannot accept other file formats.
- Do not include links to non-EOIR websites in your submissions.

- Filings with more than one page must include page numbers.
- If scanning and attaching a document, pages must appear right-side-up.
- The filing party must maintain the originals of any documents that are electronically filed and must make the originals available for production, if so ordered, or for inspection upon request by a party.

Attorneys and fully-accredited representatives

- If you have opted-in to ECAS, do not use email in lieu of filing through ECAS.
- Name your file with the last four digits of your client's alien registration number, your EOIR ID, and the type of filing.

Example: Attorney Johnson, EOIRID 1234ABC, with client 012345678, filing an asylum application would name the document: 5678_1234ABC_AsylumApplication

Respondents

- Name your file with the last four digits of your alien registration number, your last name, and the type of filing.

Example: Jane Smith, alien registration number 876543210, filing a motion to expedite, would name the document: 3210_Smith_MotionToExpedite

Example: Submitting an asylum application and country conditions evidence, attach the application with the file name 5678_1234ABC_AsylumApplication in one file and the country conditions with the file name 5678_1234ABC_CountryConditions.

EXECUTIVE OFFICE FOR IMMIGRATION REVIEW
PORTLAND IMMIGRATION COURT

STANDING ORDER 20-02¹: Special Procedures During the COVID-19 National Emergency

On March 17, 2020, the Federal Government issued a memorandum directing agencies to minimize face-to-face interactions with members of the public, which is posted at <https://www.whitehouse.gov/wp-content/uploads/2020/03/M-20-16.pdf>. To comply with directives from Federal, State, and County health officials and reduce the spread of COVID-19, the following procedures shall be implemented immediately and shall remain effective until rescinded by a superseding order of the Portland Immigration Court. This order is made pursuant to Immigration and Nationality Act § 240(b)(1)-(2) and 8 C.F.R. § 1003.10(b), 1003.21(b), 1003.25, 1003.29, 1003.31(c), 1003.40.

INDIVIDUALS WITH COVID-19 SYMPTOMS OR POSITIVE COVID-19 TEST

Under no circumstances shall any individual experiencing symptoms consistent with COVID-19 infection enter the Court, including but not limited to the lobby, filing window, and courtrooms. This same restriction applies to any individuals who have tested positive for COVID-19, unless they have been affirmatively advised by an appropriate medical professional that they are no longer contagious. If any individual described in this paragraph is therefore unable to attend an upcoming hearing at which his or her presence is required, he or she shall promptly notify the Court.

FILING OF MOTIONS, APPLICATIONS, BRIEFS, EVIDENCE, AND OTHER DOCUMENTS

First class mail, express delivery services, or email sent in compliance with both the guidelines posted at <https://www.justice.gov/eoir/filing-email> and the special rules below, are strongly preferred over in-person submission of motions, applications, briefs, evidence, and any other documents, to reduce the risk of COVID-19 transmission. Nothing here alters any deadline set by the Court for a specific case, or set by statute, regulation, or the Immigration Court Practice Manual, Chapter 3.1(b).

Special Rules for Email Filings:

Three-Month Email Filing Window: Email filings shall not be made for cases with a hearing date or court-ordered call-up date which is more than three months beyond the date of filing. The Court will reject documents filed via the temporary email box if filed more than three months before the next hearing date or call-up date, whichever is sooner. Those wishing to file documents more than three months in advance may do so via the U.S. Postal Service or an express delivery service. **Note: Form I-589 is exempt from this limitation and will be considered filed on the date of the Court's receipt of the email for purposes of the one-year asylum filing deadline.**

50-Page Limit for Email Filings: For email filings, supporting documentation/evidentiary filings are limited to 50 pages per case. A party wishing to file more than 50 pages of such materials shall file the Table of Contents by email, while filing the full set of documents (with the original

¹ This Standing Order supersedes Standing Order 20-01.

Table of Contents) via U.S. mail or express delivery service no later than the date set for filing the documents with the Court.

Routine Filings; Prehearing Filings: Prehearing submissions remain due 15 days before the individual hearing, as usual. The parties are reminded that submissions filed less than 15 days prior to the individual hearing are untimely and will be excluded from the evidentiary record, unless the Court determines that there is good cause to excuse the late filing and that there is no undue prejudice to the opposing party.

Page Limit: For background/country conditions documents that do not relate to Respondent(s), their family, or others with whom they have a personal connection, a maximum of 150 pages may be submitted. The relevance of each background/country conditions document shall be set forth in the table of contents or by citation in the prehearing statement. A party wishing to submit more than 150 pages of such documentation must establish good cause in a written motion that identifies the documents sought to be submitted, why they are believed to be necessary, and what they show that is not already established by any prior submissions. The State Department's most recent Country Report on Human Rights Practices and Report on International Religious Freedom may be submitted, or made part of the record by motion, without counting against this page limit.

In-Court Filings: Until such time as this Standing Order is rescinded or superseded, documents physically submitted at a hearing will not be handled or considered by the Court at the hearing. In the case of a merits hearing, such filings will be considered in the adjudication of the matter only upon a showing that 1) There is good cause to excuse the late filing, 2) There is no undue prejudice to the opposing party, and 3) The document is necessary for the appropriate resolution of the case, and is not cumulative, inconsequential, or otherwise unnecessary.

Emergency Motions: In the case of an emergency motion (e.g., motion for stay of removal), counsel may call to alert the Court to the need to review and process the filing immediately; in such cases, filing the motion by email will greatly assist the Court in handling the motion expeditiously.

MOTIONS TO CONTINUE

It is unnecessary to file a motion to continue any hearing scheduled before June 15, 2020; cases scheduled prior to June 15 are being reset by the Court. A motion to continue any hearing scheduled on or after June 15 shall contain a statement that the party seeking the continuance has communicated with the opposing party regarding the motion, and shall state the position of the opposing party. Motions to continue, including those based on the COVID-19 outbreak, must explain specifically why the continuance is necessary, and what efforts were made to prepare for the hearing before filing the motion to continue.

IDENTIFICATION OF MATTERS APPROPRIATE FOR PROMPT ADJUDICATION

If either party believes that a matter is appropriately resolved either without a hearing or on a telephonic short matter calendar, that party shall confer with the opposing party. If an agreement is reached that the matter can be resolved in such a manner, either party may file notice with the Court, using language agreed to by both parties. The Court will then review the record and take action as appropriate.

MOTIONS TO CONTINUE

It is unnecessary to file a motion to continue any individual hearing or any master calendar hearing during Court closure. Scheduled cases during Court closure will be reset by the Court. A motion to continue any hearing scheduled after the Court reopens shall contain a statement that the party seeking the continuance has communicated with the opposing party regarding the motion, and shall state the position of the opposing party.

SACRAMENTO IMMIGRATION COURT
STANDING ORDER 01a-20
21 August, 2020

TELEPHONIC APPEARANCES AT MASTER CALENDAR AND INDIVIDUAL HEARINGS

Master Calendar Hearings: Parties scheduled to appear for a master calendar hearing before the Court may appear telephonically, without the need to file a motion for telephonic appearance. This permission is subject to the following caveats:

- 1) Any individual who wishes to appear telephonically does so with the understanding that any paper or electronic filings to be considered by the Court must be in the official record of proceeding at the time the hearing is scheduled to be held. No additional filings will be accepted at the hearing if counsel does not appear in person, and the decision of the Court will be based on the documents in the record at the close of the hearing.
- 2) Any party appearing telephonically waives the right to object to admissibility of any document offered in Court on the sole basis that they are unable to examine the document.
- 3) If the Court is unable to reach counsel by telephone for the hearing, counsel will thereafter be required to appear in-person at any rescheduled hearing.

Individual Hearings: Witnesses at an individual hearing may appear telephonically without a motion for telephonic testimony. This permission is subject to the following caveats:

- 1) A copy of the witness' government issued identification is provided to the Court prior to the hearing.
- 2) A declaration by the proposed witness or a summary of the proffered testimony by way of an offer of proof executed by the proffering attorney is provided to the Court prior to the hearing.

LIMITS ON FILINGS

Email temporal limit: There is a three-month temporal filing limit on documents filed through email. The Court will reject documents filed via the temporary e-mail boxes if filed more than three months before the next hearing date or a court-ordered deadline ("call-up date"), whichever is earlier. Those wishing to file documents more than three months in advance may still do so; however, they must be sent to the court via the U.S. Postal Service or an overnight delivery service, not through the temporary e-mail box.

Documents rejected for not complying with the three-month temporal limit on filing may be filed by mail or through an overnight delivery service. Notwithstanding the three-month temporal limit on filings through email, parties are required to comply with all deadlines for filings, as specified in the Immigration Court Practice Manual, Chapter 3.1(b).

The subject of the email must contain the nature of the filing, the alien registration number, the date of the next hearing or any court-mandated deadline for the filing, and the initials of the immigration judge assigned to the case.

Applications for asylum are exempt from the three-month temporal limit on filings through email and will be considered filed on the date of receipt for purposes of the one-year filing deadline.

SACRAMENTO IMMIGRATION COURT
STANDING ORDER 01a-20
21 August, 2020

Limit on page numbers: For parties using a temporary email account to electronically file, supporting documentation/evidentiary filings are limited to fifty (50) pages in a particular case. If a party intends to file more than fifty (50) pages, the party must electronically file the Table of Contents and separately submit the supporting documentation/evidentiary filings with the original Table of Contents by using the U.S. mail or an overnight delivery service no later than the date set for filing the documents with the immigration court.

This order supersedes the general electronic filing instructions and Sacramento Immigration Court Standing Order 01-20.

**STANDING ORDER: TELEPHONIC APPEARANCES IN CASES BEFORE THE SAN
DIEGO IMMIGRATION COURT DUE TO COVID-19**

Effective immediately and until rescinded by the Court, any attorney for any party may appear telephonically in cases before the San Diego Immigration Court without prior approval and without filing a motion in advance.

Attorneys who wish to appear telephonically must contact court staff in advance of the hearing and provide the best phone number at which to be reached. If the Court is unable to reach counsel by telephone for the hearing, counsel will thereafter be required to appear in-person at any rescheduled hearing.

Any documents to be considered by the Court during the hearing must be filed with the Court, and a copy received by opposing counsel or *pro se* respondent, at least two business days prior to the hearing. The San Diego Immigration Court accepts electronic filing of documents in cases before it, and all parties are strongly encouraged to file any and all documents electronically. No additional filing will be accepted at the hearing if counsel does not appear in person, and the decision of the Court will be based on the documents in the record at the close of the hearing. Any party appearing telephonically waives the right to object to the admissibility of any document offered in Court on the sole basis that they are unable to examine the document.

DETAINED HEARINGS**

All previous standing orders relating to telephonic participation for San Francisco-detained hearings are hereby rescinded.

IT IS HEREBY ORDERED that all attorneys for parties and all qualified representatives may appear telephonically for all master calendar, merits, bond, reasonable fear review, or credible fear review hearings, without having to file a formal motion for telephonic appearance.

It is each attorney's responsibility to provide a valid telephone number to court staff prior to the telephonic appearance, if different than the phone number listed on the attorney's E-28. Attorneys can email Court staff at sfd.review@usdoj.gov to provide their contact information for telephonic appearances. The emails should clearly state the A#, name of respondent and date of the scheduled hearing in the subject line. If the Court is unable to reach counsel by telephone for the hearing, counsel will thereafter be required to appear in-person for future hearings. For the duration of this order, parties may appear by cell phone or landline.

Any motions to continue hearings due to COVID-19 should be submitted electronically to SanFrancisco.Immigration.Court@usdoj.gov with as much advanced notice as possible. Additionally, any documents the parties wish the Court to consider for hearings covered under this standing order can be filed with the Court electronically to SanFrancisco.Immigration.Court@usdoj.gov with a copy sent to opposing counsel, at least **three business days** prior to the bond or master hearing, and **ten business days** prior to individual merit hearings. During this time, the Court will not receive filings on the day of the hearing, except on a case-by-case basis as determined by the Immigration Judge as a matter of discretion.

The parties are encouraged to confer and reach stipulations as to factual and legal issues to facilitate the prompt disposition of cases. For bond hearings, parties are encouraged to confer and reach agreement on eligibility and/or the amount of bond when appropriate. Further, parties should submit affidavits or written statements in lieu of witnesses, for both individual hearings and bond hearings.

The following orders regarding these filings supersedes the general electronic filing instructions. They are effective immediately and shall remain effective until further notice.

IT IS HEREBY ORDERED that with the exception of asylum applications,¹ there is a **three-month temporal limit** on filings through e-mail.

Accordingly, the Court will reject documents filed via the temporary e-mail box if filed more than three months before the next hearing date or a court-ordered deadline (or call-up date), whichever is earlier. Documents rejected through this process may be filed via U.S. Postal Service or an overnight delivery service, or re-submitted electronically within the above-specified timeframe. Further, those wishing to file documents more than three months in advance must submit such filing via U.S. Postal Service or an overnight delivery service.

- **EXAMPLE:** If documents for either a **hearing or call-up date** are filed via the temporary e-filing mailbox on April 20, 2020, for a hearing scheduled on or before July 19, 2020, they will be accepted provided they conform with the ICPM and the e-mail filing instructions. However, if documents are filed on April 20, 2020, for a hearing scheduled on or after July 20, 2020, they will be rejected.

Nothing in this order alters filing deadlines specified in the ICPM, ch. 3.1(b) or case-specific deadlines imposed by an Immigration Judge.

SEATTLE IMMIGRATION COURT

STANDING ORDER 01-20: Establishing Safe Procedures During the COVID-19 National Emergency

This Order establishes filing requirements and courtroom procedures pursuant to Immigration and Nationality Act §240(b)(1)-(2) and 8 C.F.R. §§ 1003.10(b), 1003.21(b), 1003.31(c), 1003.40. This order is effective immediately and shall remain effective until it is rescinded by a superseding order of the Seattle Immigration Court.

On Wednesday March 17, 2020, the Federal Government directed agencies to minimize face-to-face interactions with members of the public.¹ To comply with directives from Federal, State, and County health officials and reduce the spread of COVID-19, the following procedures shall be implemented immediately.

No attorney, interpreter, witness, or member of the public who is subject to the restrictions articulated in Policy Memorandum 20-10, Immigration Court Practices During the Declared National Emergency Concerning the COVID-19 Outbreak (Mar. 19, 2020) (as amended), is subject to an isolation or quarantine order from a government health official or a medical provider, or has had physical contact with anyone within the past fourteen (14) days who was diagnosed with COVID-19 may appear in the Seattle Immigration Court because the public interest requires that removal proceedings be closed to individuals likely to spread COVID-19. 8 C.F.R. § 1003.27(c). If an individual fails to comply with these reasonable limitations, the Court shall comply with guidance from federal, state, and/or county health authorities and continue the hearing. 8 C.F.R. § 1240.6.

While the Court in ordinary circumstances prefers in-court appearance by the representatives of the parties, attorneys and accredited representatives may file motions to appear telephonically for any hearing. Such motion shall clearly identify the telephone number to be called, and the Court prefers a landline for audible clarity if such is an option.

Witnesses, family, and community members may attend a hearing in the same courtroom as the alien so long as no more than 6 people, including the hearing's participants, are present in the courtroom. During this emergency situation, the Court strongly encourages witnesses, family, and community members to rely on written statements in lieu of appearing at the hearing to limit the potential spread of COVID-19.

Members of the general public may be asked to leave a hearing to accommodate a member of the media. 8 C.F.R. § 1003.27(a).

The filing of documents and evidence by first class mail is strongly preferred to reduce the risk of COVID-19 transmission. 8 C.F.R. § 1003.32(a).

¹ OFFICE OF MGMT. & BUDGET, EXEC. OFFICE OF THE PRESIDENT, Memorandum for the Heads of Departments and Agencies (Mar. 17, 2020) <https://www.whitehouse.gov/wp-content/uploads/2020/03/M-20-19.pdf>.

For individual calendar hearings, all filings must be submitted in accordance with the deadlines ordered by the Court. 8 C.F.R. 1003.31(c). Absent a prehearing order to the contrary, all filings must be submitted at least fifteen (15) days in advance of the hearing. To reduce the risk of COVID-19 transmission, the Court will NOT accept untimely documents filed less than 48 hours prior to the individual hearing. If a party wishes the Court to consider a filing despite its untimeliness, the party must make a written motion to accept the untimely filing no later than 48 hours prior to the date of hearing. A motion to accept an untimely filing must explain the reasons for the late filing and show good cause for acceptance of the filing. The Court may not consider or give any evidentiary weight to untimely evidence presented at the hearing. *Taggar v. Holder*, 736 F.3d 866, 889 (9th Cir. 2013).

The Executive Office for Immigration Review (EOIR) has established temporary email accounts for immigration courts nationwide to facilitate electronic filing for all parties while the rollout of the EOIR Court and Appeals System is delayed due to COVID-19. Guidelines for emailed filings can be found at <https://www.justice.gov/eoir/filing-email>. Emailed submissions shall be limited to 50 pages per case, and shall not be filed more than 3 months prior to any hearing or Court-ordered call-up date. **Applications for asylum are exempt from the three-month temporal limit on filings through email and will be considered filed on the date of receipt for purposes of the one-year filing deadline.**

A Respondent may file a "Motion to Adjudicate Applications Without Evidentiary Hearing" with the Court, prior to any filing deadlines established by the Court, to request that a written decision on the merits be issued based solely on the applications, declarations, and other evidence contained in the record of proceeding. 8 C.F.R. § 1003.37(a). The motion should indicate whether the respondent is seeking to apply for voluntary departure under INA § 240B. Should the respondent be seeking voluntary departure the motion must clearly indicate that the counsel or accredited representative has explained the conditions that attach to voluntary departure as set forth in *Matter of Gamero*, 25 I&N Dec. 164 (BIA 2010). For the purposes of post-conclusion voluntary departure during the period of this Standing Order, the parties should assume the Court would set the minimum bond of \$500 and grant the maximum period of 60 days to depart.

Included with a Motion to Adjudicate Applications Without Evidentiary Hearing must be a signed statement from the respondent that he or she understands his or her right to present testimony, but that such right is knowingly waived. In addition, should the respondent be seeking voluntary departure, the motion must also include a signed statement from the alien that he or she understands the conditions that attach pursuant to *Matter of Gamero, supra*, and that he or she accepts such conditions should voluntary departure be granted in the exercise of discretion.

The Department of Homeland Security (DHS) will be granted 7 calendar days to object, in writing, to a Motion to Adjudicate Applications Without Evidentiary Hearing. Absent a response, the Court will assume that background checks have been completed or will be completed prior to the issuance of a decision. The Court will not assume, however, that the DHS supports any application unless the DHS specifically submits a written response so indicating. Absent an indication the parties agree to an outcome, the Court will issue a decision on the merits of the applications and suitable for appellate purposes.

While this order is effective, in an urgent situation, any party may call the Seattle Immigration Court at (206) 553-5953 to request that a hearing be continued if the Respondent's attorney, accredited representative, or

witnesses are unable to appear, pursuant to the procedures articulated by this order, because they are exhibiting any symptoms of COVID-19, are subject a quarantine or isolation order of a local, state, or federal official including situations where the attorney cares for a sick or at-risk family member or a minor child, or because of guidance or orders issued by the Centers for Disease Control, the Washington Department of Health, or a County Health Officer. 8 C.F.R. § 1003.10(b), 1003.29. Absent an urgent situation described above, a motion to continue should be filed in writing.

It is so ordered.

STANDING ORDER 03-20: Procedures for Safe Hearings During the COVID-19 National Emergency

This order establishes filing requirements and courtroom procedures pursuant to Immigration and Nationality Act § 240(b)(1)-(2) and 8 C.F.R. §§ 1003.10(b), 1003.21(b), 1003.31(c), 1003.40. This order is effective immediately. Standing Order 01-20: Establishing Safe Procedures During the COVID-19 National Emergency, and Standing Order 02-20: Establishing Safe Procedures During the COVID-19 National Emergency are revoked and rescinded.

FACTUAL FINDINGS

On Wednesday March 17, 2020, the Federal Government directed agencies to minimize face-to-face interactions with members of the public.¹ To comply with directives from Federal, State, and County health officials and reduce the spread of COVID-19, the following procedures shall be implemented immediately.

VIDEO CONFERENCE AND TELEPHONIC PROCEEDINGS

All master calendar, bond, credible and reasonable fear review, and individual calendar hearings shall be conducted by video conference in one of five (5) court rooms, including VTC Courtroom 1 (E-145-H) and VTC Courtroom 2 (E-145-G), separate from immigration judges and court staff. INA § 240(b)(2)(A)(iii); 8 C.F.R. § 1003.25(c); *see Vilchez v. Holder*, 682 F.3d 1195, 1199 (9th Cir. 2012). Immigration judges will conduct video conference hearings from their offices or remote courtrooms.

Respondents have a right to proceed in person or through video conference at an evidentiary hearing on the merits. INA § 240(b)(2)(B). If a Respondent objects to conducting an evidentiary hearing where their attorney appears telephonically, Respondent may request a continuance for good cause. 8 C.F.R. §§ 1003.29, 1240.6.

No attorney, interpreter, witness, or member of the public who is subject to the restrictions articulated in Policy Memorandum 20-13, EOIR Practices Related to the COVID-19 Outbreak (June 11, 2020) (as amended), is subject to an isolation or quarantine order from a government health official or a medical provider, or has had physical contact with anyone within the past fourteen (14) days who was diagnosed with COVID-19 may appear in the Tacoma Immigration Court because the public interest requires that removal proceedings be closed to individuals likely to spread COVID-19. 8 C.F.R. § 1003.27(c). If an individual fails to comply with these reasonable limitations, the court shall comply with guidance from federal, state, and county health authorities and continue the hearing. 8 C.F.R. § 1240.6.

A. Attorneys and Accredited Representatives

Attorneys and accredited representatives are strongly encouraged to appear by telephone conference at the phone number contained in the Form EOIR-28, Notice of Entry of Appearance, filed with the court. INA § 240(b)(2)(A)(iv). No prior request for a telephonic hearing is required—the court will call an attorney, using information contained in the Form EOIR-28, if one is not physically present in the video conference courtroom at the start of a hearing. Attorneys and accredited representatives may also provide an alternative phone number by calling the Tacoma Immigration Court at least four (4) days

¹ OFFICE OF MGMT. & BUDGET, EXEC. OFFICE OF THE PRESIDENT, Memorandum for the Heads of Departments and Agencies (Mar. 17, 2020), available at <https://www.whitehouse.gov/wp-content/uploads/2020/03/M-20-16.pdf>.

prior to a hearing. Attorneys may also appear with Respondent in the video conference courtroom.

B. Witnesses, Family Members, and Community Members

Witnesses, family, and community members may attend a hearing in the same courtroom as Respondent, so long as no more than six (6) people—including Respondent, DHS counsel, an interpreter, a bailiff, and Executive Office for Immigration Review staff—are present in the courtroom. 8 C.F.R. § 1003.27(a). The court strongly encourages witnesses, family, and community members to provide telephonic testimony or submit letters or written declarations in lieu of appearing at hearings to limit the potential spread of COVID-19.

C. Members of the Media

Members of the general public may be asked to leave a hearing to accommodate a member of the media, 8 C.F.R. § 1003.27(a).

D. Members of *Franco-Gonzales* Class

Notwithstanding this order, the court will implement safeguards and adopt all procedures necessary to ensure a full and fair hearing for members of the *Franco-Gonzalez v. Holder*, 2014 WL 5475097 (C.D. Cal. 2014) class, including an in-person hearing.

FILING OF APPLICATIONS, DOCUMENTS, BRIEFS, AND EVIDENCE

The filing of documents and evidence by first class mail is strongly preferred to reduce the risk of COVID-19 transmission. 8 C.F.R. § 1003.32(a). Documents filed by email pursuant to Immigration Court Practice Manual, Chapter 3.1(a)(viii) (Apr. 10, 2020) may not exceed fifty (50) pages—all filings greater than fifty (50) pages must be submitted at the court’s filing window or by mail. The court may not consider or give any evidentiary weight to untimely evidence presented at the hearing. *See Taggar v. Holder*, 736 F.3d 866, 889 (9th Cir. 2013). Further, the court may continue a hearing if documents are presented during a hearing, so that the court has an opportunity to review and carefully consider the new evidence. 8 C.F.R. §§ 1003.29, 1240.6.

MOTIONS TO CONTINUE

While this order is effective, any party may call the Tacoma Immigration Court at (253) 779-6020 to request that a hearing be continued if Respondent’s attorney, accredited representative, or witnesses are unable to appear, pursuant to the procedures articulated by this order, because they are exhibiting any symptoms of COVID-19, are subject a quarantine or isolation order of a local, state, or federal official—including situations where the attorney or accredited representative cares for a sick or at-risk family member or a minor child—or because of guidance or orders issued by the Centers for Disease Control, the Washington Department of Health, or a County Health Officer. 8 C.F.R. § 1003.10(b), 1003.29. RELATING TO TELEPHONIC APPEARANCES AT ALL HEARINGS
AND TEMPORAL AND PAGE LIMITS
ON ELECTRONICALLY FILED DOCUMENTS**

This standing order supersedes all prior standing orders and is subject to change and/or revocation without notice. Effective immediately, and until further notice, any attorney or qualified representative for any party may appear telephonically before the Tucson Immigration Court without prior approval and without filing a motion for telephonic appearance for any type of hearing, including hearings conducted by video teleconference ("VTC") from the La Palma Correctional Center and/or any juvenile detention facility.

Any attorney or qualified representative must confer with the respondent or applicant in advance of the hearing to ensure that the respondent or applicant consents to the telephonic appearance. Attorneys or representatives should email the Tucson Immigration Court at Tucson.Immigration.Court@usdoj.gov no later than one business day in advance of the hearing to provide the telephone number where the attorney or representative may be reached. If any attorney or representative wishes to appear in-person at a hearing in a detained case, the attorney must provide the Court with two business days of notice. It is the responsibility of all parties to inquire as to any social or physical distancing requirements that have been established by the Court, CoreCivic, or the General Services Administration.

The parties are encouraged to confer with one another prior to the hearing, in order to reach stipulations as to facts and/or legal issues (e.g. 10 years of continuous residence) to facilitate the prompt disposition of cases. The parties are also encouraged to confer and reach agreement on the eligibility for bond and the amount of the bond. The parties should also submit affidavits or written statements of witnesses in lieu of the witnesses appearing in court. Any documents that counsel wishes the Court to consider at the hearing must be both timely filed with the Court and timely received by opposing counsel or the *pro se* respondent or applicant at least two business days prior to the hearing.

Due to the current COVID-19 health crisis, motions and pleadings pertaining to detained cases should be filed with as much notice as possible, but no later than two business days in advance of the scheduled hearing by submitting an email to the Court at Tucson.Immigration.Court@usdoj.gov. All parties are on notice that they should not file or send notices to any other email address. Instructions for filings can be found at <https://www.justice.gov/eoir/filing-email>. Attorneys are advised that such filings must comply with Paragraph 3.3(c) of the Immigration Court Practice Manual with the exception

of the requirement for hole-punching and binding. Attorneys are also encouraged to be succinct and to file only such documents that are relevant and probative. Attorneys are encouraged to limit the filing of duplicative country condition reports and to file only such reports that are necessary and reasonable.

The subject line of any email filing must contain the nature of the filing, the alien registration number, the date of the next hearing or the call-up date, or any court-mandated deadline for the filing, and the initials of the immigration judge assigned to the case.

With respect to electronic filings, the Tucson Immigration Court is imposing a 90-day limit on electronic filings made through the Tucson.Immigration.Court@usdoj.gov mailbox. The Court will reject electronic filings if they are filed in excess of 90 days prior to the next hearing date or court-ordered deadline ("call-up date"), whichever is earlier. Those wishing to file documents more than 90 days in advance of a hearing or a call-up date may file the submission in person, or should send the filing via the United States Postal Service or an overnight delivery service. Electronic filings rejected for not complying with the 90-day deadline may be filed in person, by the United States Postal Service or by an overnight delivery service. Notwithstanding the 90-day limit on electronic filings, all parties are required to comply with all deadlines for filings as specified in Paragraph 3.1(b) of the Immigration Court Practice Manual and as set forth in any Scheduling Order issued by any Tucson Immigration Judge. **Applications for asylum are exempt from the 90-day electronic filing limit and will be considered filed on the date of receipt for purposes of the one-year filing deadline. This exemption from the filing deadline applies only to the Form I-589, and not to documentation filed in support of the application.**

The Tucson Immigration Court is imposing a 50-page limit on all electronic filings made through the Tucson.Immigration.Court@usdoj.gov electronic mailbox. Supporting documents/evidentiary filings will be limited to 50 pages for a particular case. If a party intends to file more than 50 pages, the party must electronically file a copy of the Table of Contents and separately file the supporting documents/evidentiary filings with the original Table of Contents in person, or by the United States Postal Service or an overnight delivery service no later than the date set by the Court for the filing of the documents. Only attorneys, and not legal assistants, paralegals or others, may electronically file documents; all documents must be filed from the specific email address on file with EOIR, if the email does not come from the email address on file, the submission will be rejected.

**UNITED STATES DEPARTMENT OF JUSTICE
EXECUTIVE OFFICE FOR IMMIGRATION REVIEW
UNITED STATES IMMIGRATION COURT
YORK, PENNSYLVANIA**

**STANDING ORDER OF THE YORK IMMIGRATION COURT
RELATING TO TELEPHONIC APPEARANCES AT HEARINGS**

IT IS HEREBY ORDERED that, for the thirty (30) day period following the signing of this order, parties scheduled to appear for a master calendar, custody, or individual hearing before the York Immigration Court may appear telephonically, without the filing of a motion for telephonic appearance. This permission is subject to the following caveats:

- 1) Any party, whether an attorney or a litigant, who wishes to appear telephonically does so with the understanding that any paper or electronic filings to be considered by the Court must be in the official record of proceeding at the time the hearing is scheduled to be held. No additional filings will be accepted at the hearing from a party not appearing in person, and the decision of the Court will be based on the documents in the record at the close of the hearing.
- 2) Any party appearing telephonically waives the right to object to the admissibility of any document offered in Court on the sole basis that they are unable to examine the document.
- 3) If the Court is unable to reach a party by telephone for the hearing, the party will thereafter be required to appear in person at any rescheduled hearing.
- 4) The parties may offer testimony from witnesses appearing telephonically if the witness's contact information is provided to the Court prior to the hearing. Witnesses must be sequestered to the best of their ability when others are testifying. If a witness fails to appear, it is within the Court's discretion whether to proceed with or reschedule the hearing.
