DEPARTMENT OF JUSTICE

Immigration and Naturalization Service

8 CFR Part 214

Nonimmigrant Classes; Admission Period and Extensions of Stay

AGENCY: Immigration and Naturalization Service, Justice.

ACTION: Final rule.

SUMMARY: This final rule amends the initial maximum admission period and maximum length for extensions of stay for various categories of nonimmigrants. The Service has determined that this change will reduce the paperwork burden on the public and the Service and will not adversely affect control.

EFFECTIVE DATE: November 18, 1985.

FOR FURTHER INFORMATION CONTACT:

For General Information: Loretta J. Shogren, Director, Policy Directives and Instructions, Immigration and Naturalization Service, 425 I Street, NW., Washington, D.C. 20536. Telephone: (202) 633-3048.
For Specific Information: Jeffrey D. Trecartin, Immigration Examiner, Immigration and Naturalization Service, 425 I Street, NW., Washington, D.C. 20536. Telephone (202) 633-3240.

SUPPLEMENTARY INFORMATION: In a continuing effort to reduce reporting requirements placed on the public and to streamline operating procedures, the Service has examined the initial admission period and extension

requirements for the following nonimmigrant classifications: A-3, employee of an A-1 or A-2 (section 101(a)(15)(A)); B-1/B-2 visitor for business or visitor for pleasure (section 101(a)(15)(B)); E-1 and E-2, treaty trader or treaty investor (section 101(a)(15)(E)); G-5, employee of G-1 thru G-4 (section 101(a)(15)(G)); I, representative of foreign information media or his or her spouse and dependents (section 101(a)(15)(I)); J-1 and J-2, exchange alien and dependents (section 101(a)(15)(J));

NATO-5 and NATO-6 civilian employee of the military of a NATO member nation; and those NATO-7 aliens employed by NATO-5 and NATO-6 aliens.

After careful analysis and consultation with the Department of State and the United States Information Agency, the Service believes that an increase in the maximum admission period and an increase in the incremental periods for extensions of stay for the listed nonimmigrants will

reduce unnecessary reporting requirements, will concurrently reduce the paperwork burden on the Service, and will not adversely affect the control the Service must exercise over these categories of nonimmigrants. The affected categories have proved to be of low risk in violating their status.

The new periods of initial admission and extension of temporary stay may not exceed the following:

Nonimmigrant classification	Initial admission	Extension of stay
(1) A3	Three years (previously one year)	Two years (previously one year)
(2) B1/B2	Initial admission up to one year (same)	Six months (same, except members of a religious denomination one year; (previously six months).
(3) E-1/E-2	Initial admission up to one year (same)	Two years (previously one year)
(4) G-5	Three years (previously one year)	Two years (previously one year)
(5) I	Duration of employment (previously one year)	Not applicable.
(6) J-1/J-2	Period of program specified on Form IAP-66 plus 30 days (previously limited to twelve months or the period of program specified on Form IAP-66 if the period of time was less than twelve months)	Period of program specified on Form IAP-66 plus 30 days (previously period of program specified on Form IAP-66)
(7) NATO-5/NATO-6	Duration of employment in U.S. with NATO member (previously one year)	Not applicable.
(8) NATO-7 employee	Two years (previously one year)	No change.

Compliance with 5 U.S.C. 553 as to notice of proposed rulemaking is unnecessary because the rule will benefit the public by reducing currently imposed reporting requirements.

In accordance with 5 U.S.C. 605(b), the Commissioner certifies that this rule does not have a significant economic impact on a substantial number of small entities.

This is not a major rule within the meaning of section 1(b) of E.O. 12291.

Accordingly, Chapter 1 of Title 8 of the Code of Federal Regulations is amended as follows:

PART 214—NONIMMIGRANT CLASSES

1. The authority citation for Part 214 is revised to read as follows:

Authority: Sections 101(a)(15) (A), (B), (E), (G), (I), and (J); 103 and 214 of the Immigration and Nationality Act, as amended; 8 U.S.C. 1101(a)(15) (A), (B), (E), (G), (I) and (J), 1103 and 1184.

2. Section 214.2 is amended by revising paragraphs (a)(1), (b), (f), (g)(1), (i), (j)(1) (ii) through (iv) and (n) (1) and (2) to read as follows:

§ 214.2 Special requirements for admission, extension, and maintenance of status.

The general requirements in § 214.1 are modified for the following nonimmigrant classes:

(a) *Foreign government officials*—(1) *General.* The determination by a consular officer prior to admission and

the recognition by the Secretary of State subsequent to admission is evidence of the proper classification of a nonimmigrant under section 101(a)(15)(A) of the Act. An alien who has a nonimmigrant status under section 101(a)(15)(A) (i) or (ii) of the Act is to be admitted for the duration of the period for which the alien continues to be recognized by the Secretary of State as being entitled to that status. An alien defined in section 101(a)(15)(A)(iii) of the Act is to be admitted for an initial period of not more than three years, and may be granted extensions of temporary stay in increments of not more than two years. In addition, the application for extension of temporary stay must be accompanied by a statement signed by the employing official stating that he/she intends to continue to employ the applicant and describing the type of work the applicant will perform.

(b) *Visitors*—(1) *General.* Any B-1 visitor for business or B-2 visitor for pleasure may be admitted for not more than one year and may be granted an extension of a temporary stay in increments of not more than 6 months each, except that alien members of a religious denomination coming temporarily and solely to do missionary work in behalf of that denomination may be granted an extension of stay in increments of not more than one year each, provided that such work does not involve the selling of articles or the solicitation or acceptance of donations.

(e) *Traders and investors.* An alien defined in section 101(a)(15)(E) of the

Act may be admitted for an initial period of not more than one year and may be granted extensions of temporary stay in increments of not more than two years. A trader or investor and his or her spouse or child who accompanied or followed to join the trader or investor, who acquired nonimmigrant status on or after December 24, 1952 under section 101(a)(15)(E) (i) or (ii) of the Act shall submit to the district director having jurisdiction over the aliens place of residence properly executed Forms I-539 and I-126 to apply for an extension of the period of his or her temporary admission. A trader or investor may change from one employer to another after a written request for permission to do so has been approved by the district director having jurisdiction over the alien's residence. The request must be supported by evidence that the requester would still be classifiable as a trader or investor in the new employment. After the request is granted, Service offices shall make a notation on the reverse of the alien's Form I-94 reading "Employment by (name of new employer) authorized", followed by the date of the authorization. Any unauthorized change to a new employer will constitute a failure to maintain status within the meaning of section 241(a)(9) of the Act.

(g) *Representatives to international organizations*—(1) *General.* The determination by a consular officer prior to admission and the recognition by the Secretary of State subsequently to admission is evidence of the proper

classification of a nonimmigrant under section 101(a)(15)(G) of the Act. An alien defined in section 101(a)(15)(G)(v) of the Act may be admitted for an initial period of not more than three years, and may be granted extensions of temporary stay in increments of not more than two years. Every other alien defined in section 101(a)(15)(G) of the Act shall be admitted for such period of time as he/she continues to be so recognized by the Secretary of State.

(i) *Representatives of information media.* The admission of an alien of the class defined in section 101(a)(15)(I) of the Act constitutes an agreement by the alien not to change the information medium or his or her employer until he or she obtains permission to do so from the district director having jurisdiction over his or her residence. An alien classified as an information media nonimmigrant (I) may be authorized admission for the duration of employment.

(j) *Exchange aliens.*

(1) * * *

(ii) *Admission.* The initial admission of an exchange alien, spouse, and children may not exceed the period specified on Form IAP-66, plus a period of 30 days for the purpose of travel. Regulations of the United States Information Agency published at 22 CFR 514.23 give general limitations on the length of stay of the various classes of exchange visitors. A spouse or child (J-2) may not be admitted for longer than the principal exchange alien (J-1).

(iii) *Readmission.* An exchange alien may be readmitted to the United States for the remainder of the time authorized on Form I-94, without presenting Form IAP-66, if the alien is returning from a visit solely to foreign contiguous territory or adjacent islands after an absence of less than 30 days and if the original Form I-94 is presented. All other exchange aliens must present a valid Form IAP-66. An original Form IAP-66 or copy three (the pink copy) of a previously issued form presented by an exchange alien returning from a temporary absence shall be retained by the exchange alien for re-entries during the balance of the alien's stay.

(iv) *Extensions of Stay.* If an exchange alien requires an extension beyond the initial admission period, the alien shall apply by submitting a new Form IAP-66 which indicates the date to which the alien's program is extended. The extension may not exceed the period specified on Form IAP-66, plus a period of 30 days for the purpose of travel. Extensions of stay for the alien's spouse

and children require, as an attachment to Form IAP-66, Form I-94 for each dependent, and a list containing the names of the applicants, dates and places of birth, passport numbers, issuing countries, and expiration dates. An accompanying spouse or child may not be granted an extension of stay for longer than the principal exchange alien.

(n) *NATO aliens*—(1) *General.* Aliens classified as NATO-1 through NATO-4 are members of the armed forces of a country signatory to Article III of the Status of Forces Agreement (NATO). They are normally exempt from inspection under 8 CFR 235.1(c). Aliens classified as NATO-5 or -6 are civilian employees of the armed forces of a NATO member and may be authorized admission for the duration of employment and assignment with the NATO member in the United States. Aliens classified as NATO-7 who are employed by NATO-1 through NATO-4 aliens may be admitted for duration of status; if employed by NATO-5 or -6 aliens, admission may be authorized for not more than two years.

(2) *Extensions of Stay.* Any alien classified as a NATO-7 as the employee of a NATO-5 or -6 may be granted extensions of stay in increments of not more than one year.

[Airspace Docket No. 85-AWP-27]

Alteration of Control Zone and Transition Area; Lihue, HI

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Final rule.

SUMMARY: This amendment will alter the control zone and transition area at Lihue, Hawaii. The realignment of the controlled airspace is required to contain all IFR operations at Lihue Airport, Lihue, Hawaii. The intended effect of this action is to ensure segregation of aircraft using approach procedures in instrument weather conditions and other aircraft operating in visual weather conditions.

EFFECTIVE DATE: 0901 GMT, November 21, 1985.

FOR FURTHER INFORMATION CONTACT: Curtis Alms, Airspace and Procedures Branch, Air Traffic Division, Federal Aviation Administration (FAA), 15000 Aviation Boulevard, Hawthorne, California 90261; telephone (213) 536-6649.

SUPPLEMENTARY INFORMATION:

History

On July 24, 1985, the FAA proposed to amend Part 71 of the Federal Aviation Regulations (14 CFR Part 71) to redefine the control zone and transition area of Lihue, Hawaii (50 FR 30206).

Interested parties were invited to participate in this rulemaking proceeding by submitting written comments on the proposal to the FAA. No comments objecting to the proposal were received. This amendment is the same as that proposed in the notice. Sections 71.171 and 71.181 of Part 71 of the Federal Aviation Regulations were published in Handbook 7400.6A dated January 2, 1985.

The Rule

This amendment to Part 71 of the Federal Aviation Regulations enlarges the control zone at Lihue, Hawaii. The control extensions are required due to proposed changes to the Standard Instrument Approach Procedures at Lihue Airport. The intended effect of this action is to ensure segregation of aircraft using approach procedures in instrument weather conditions and other aircraft operating under visual weather conditions in controlled airspace.

The FAA has determined that this regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore—(1) is not a "major rule" under Executive Order 12291; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this rule will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.
