Title: Visas: Ineligibility Based on Public Charge Grounds

Abstract:

The Department's 2019 IFR has not yet been finalized. Given the many changed circumstances since the IFR was published, the Department intends to solicit information from the public prior to finalizing this rule. Since the 2019 IFR is based on a rule that is no longer the policy of the Department of Homeland Security, the Department intends to publish a notice in the Federal Register to solicit further comments on whether the 2019 IFR should be rescinded or revised and what final rule should be adopted, if any. Rulemaking on this topic is a priority for the Department.
