USCIS  
**Form I-140G**  
OMB No. 1615-0167  
Expires 05/31/2026

### What Is the Purpose of Form I-140G, Immigrant Petition for the Gold Card Program?

A petitioner may file Form I-140G to request an employment-based immigrant visa under the Gold Card program established by Executive Order 14351, The Gold Card (Sep. 19, 2025).

Form I-140G is the first step in the Gold Card process. Once the petition is approved and there is an immigrant visa number available in the requested employment-based classification, you must complete consular processing with the U.S. Department of State at an embassy or consulate to get an immigrant visa and travel to the United States to be admitted as a lawful permanent resident.

### Who May File Form I-140G?

An individual or a corporation (or similar entity) on behalf of an individual may file this petition under the Gold Card program for the following immigrant visa classifications:

1. An alien of extraordinary ability under 203(b)(1)(A) of the Immigration and Nationality Act; or
2. An alien of exceptional ability under 203(b)(2)(B) of the Immigration and Nationality Act who is seeking an exemption of the requirement of a job offer in the national interest (generally known as a National Interest Waiver or NIW).

If you are requesting classification as an alien of exceptional ability who is seeking an NIW, you must also submit an uncertified Form ETA-9089, Application for Permanent Employment Certification, with your supporting evidence.

### Eligibility

Your petition must establish that you have sufficient funds to make the required unrestricted gift to the Department of Commerce; and any funds to be used for the gift have been obtained through lawful means.

### General Instructions

**USCIS Online Account Number.** You will only have a USCIS Online Account Number (OAN) if you previously filed a form that has a receipt number that begins with IOE. If you filed the form online, you can find your OAN in your account profile. If you mailed us the form, you can find your OAN at the top of the Account Access Notice we sent you. If you do not have a receipt number that begins with IOE, you do not have an OAN. The OAN is not the same as an A-Number.

**Signature.** You (or your signing authority) must properly complete and electronically sign your petition. If the petition is not signed or if the signature is not valid, your petition will be rejected or denied.

**NOTE:** If the petitioner is a corporation or other legal entity, only an individual who is an officer or employee of the entity who has knowledge of the facts alleged in the petition, and who has authority to sign documents on behalf of the entity, may sign the petition.

**Fee.** The fee for Form I-140G is \$15,000 per person. This fee will not be refunded regardless of the action taken on your petition or how long it takes to issue a decision. By continuing this transaction, you acknowledge that you must submit fees in the exact amount and that you are paying the fees for a government service.

**Evidence.** When you file your petition, you must submit all requested evidence and supporting documents.

**Copies.** You should submit legible copies of requested documents unless the Instructions specifically instruct you to submit an original document. You may be instructed to provide an original document at any time during this process. If we request an original document from you, we will return it to you after it is no longer needed to adjudicate your petition.

**NOTE:** If you submit original documents when they are not required or requested, **the documents may be destroyed after we receive them.**

**Translations.** If you submit a document with information in a foreign language, you must also submit a full English translation. The translator must sign a certification that the English language translation is complete and accurate, and that he or she is competent to translate from the foreign language into English. The certification must also include the translator's signature, printed name, the signature date, and the translator's contact information.

**Biometric Services Appointment and Fee.** You may be required to appear for an interview or provide biometrics (fingerprints, photograph, and/or signature) at any time to verify your identity, obtain additional information, and conduct background and security checks, including a check of criminal history records maintained by the Federal Bureau of Investigation (FBI), before making a decision on your petition. If a biometric services appointment is necessary, you will receive an appointment notice with the date, time, and location of your appointment. If you are currently overseas, your notice will instruct you to contact a U.S. Embassy, U.S. Consulate, or USCIS office outside the United States to schedule an appointment. Your biometric services appointment notice may require you to pay a biometric services fee.

At your biometrics appointment, you must sign an oath reaffirming that:

1. You provided or authorized all information in the petition;
2. You reviewed and understood all of the information contained in, and submitted with, your petition; and
3. All of this information was complete, true, and correct at the time of filing.

If you do not attend your biometric services appointment, we may deny your petition.
